

RECOGNITION OF PUBLIC ORGANIZATIONS**POLICY**

The Board of Education accepts its responsibility as the duly elected governing agent of the Valley Stream Union Free School District #24. Accordingly, the Board of Education will not recognize parent groups, individual segments or other organizations within the community as empowered entities.

In accordance with State Education Department philosophy, though, the Board of Education recognizes the PTA's valuable role. As a result, the PTA is recognized as the official parent representative group of the Valley Stream District #24 community.
