OLD BUSINESS

a. Legal Updates

i. Van Buren

Chief Dillard informed the board that all Van Buren documents have been sent to Van Buren's legal representatives today. We hope to have everything wrapped up in the near future.

ii. Bloomington Township

Chief Dillard stated that all vehicles from Bloomington Township are now legally Monroe Fire Protection District. All titles have been received and new plates have been placed on the apparatus.

b. Monroe Fire District Future

i. Line of Credit

Chief Dillard informed the board that there was a curve ball thrown at us concerning the line of credit. Chief Dillard let legal counsel explain to the board. Mr. Ferguson explained that the way the taxes fall in arrears, we need some cash flow. What we are anticipating doing is a bridge loan and a tax anticipation warrant. Mr. Jacob McClellan, who is Bond Counsel with Bose, McKinny and Evans and represents Peoples State Bank. Mr. McClellan informed the board that there were two resolutions this evening for them to look at. The first being a resolution for an interim loan, and the second being a resolution authorized tax anticipation warrant. Mr. McClellan informed the

board that when Peoples State Bank contacted them concerning doing a line of credit with the district they reviewed the statutes and determined that it doesn't provide for a revolving line of credit. It instead allows for tax anticipation warrants.

Mr. McClellan explained that the first resolution will allow for a interim loan from Peoples State Bank for \$550,000 to be paid when the tax anticipation warrant is fully executed. The second resolution is to authorize the tax anticipation warrants not to exceed 2,860,000. The intent of these loans is to keep cash flow for the district until tax settlements have been distributed. A Tax Anticipation Warrant is basically a loan until we receive our tax settlements. With the merger, we were fully aware that we would need to borrow money the first year until all tax payer money is distributed to the district. Mr. McClellan explained the process to the board, with a tax anticipation warrant, bank bid to give us the loan.

Chairman Sorensen asked if a bank can counter offer? Mr. McClellan explained that the board would take the best offer. Mr. Ferguson asked if the board needed to meet to accept the bid. Mr. McClellan stated that the resolution allows the Chairman and Fiscal Officer to sign.

Mr. McClellan also stated that if the bids received were extremely high, we do not have to take the warrants. We can then look to do something different. Chairman Sorensen asked about the interim loan, if Peoples State Bank did receive the bid for the warrants, would the district pay back the \$550,000 from the tax anticipation warrant money? Mr. McClellan stated that yes, the interim loan would be paid back immediately with the tax anticipation warrant money.

Chairman Sorensen pointed out that some of the language should be changed from his to her, since she is the chairman. Mr. Ferguson stated that yes, the documents can be updated.

Chairman Sorensen called for a motion to approve Resolution 21-001 the Interim Loan.

Mr. Brown made a motion to accept the resolution authorizing an interim loan.

Ms. Courtright 2nd Approved 5-0

Mr. Kruzan asked if the resolutions should be numbered. Chief Dillard and Mrs. Bovenschen stated that yes, they would be 21-001 and 21-002.

Mr. Kruzan made a motion to approve Resolution 21-002 the Tax Anticipation Warrant Ms. Courtright 2nd

c. COVID-19 Information

i. Homebound Hoosiers

Chief Dillard informed the board that we are now participating the Homebound Hoosier vaccination program. This program allows homebound individuals in our community the opportunity to receive a COVID-19 vaccine. Chief Dillard explained that we have had 4 individuals trained and will begin tomorrow going to homes.

Mr. Kruzan asked if we were helping the health department, or are we administering the vaccines. Chief Dillard explained that our firefighters are actually going to the homes and administering the vaccines. Mr. Kruzan wanted to be sure that we were communicating this on all social media platforms. Chief Dillard stated that we were asked by the Monroe County Health Department to not really advertise, as the program is being set up by Area 10 Agency and individuals will need to be contact them.

Deputy Chief Bright informed the board that we currently have 35-40% of our employees vaccinated. Employees are giving confirmation to Deputy Chief Bright of their vaccination.

d. Engine 22 Bid Opening

Chief Dillard opened the bid with Mrs. Bovenschen in the room with him. There was only one bid received from Fire Service Inc, E-One Pumper. Chief Dillard read the front page of the bid. Price for apparatus and all equipment as specified \$723,893. Included in the proposal were options for financing with E-One and a discount if paid in full \$704,866. The proposal includes a stipulation that if the apparatus is not received within 330 days, the Monroe Fire Protection District will receive \$100 per day. This proposal is valid until April 14, 2021.

Mr. Ferguson stated that we should take the front page of the bid and attach to the minutes. Chief Dillard stated that he will include the lease information from Fire Service.

NEXT MONTHLY BUSINESS MEETING

Chairman Sorensen reminded everyone that our next scheduled regular board meeting for the Monroe Fire Protection District will be held on April 13, 2021 at 6:00pm via Zoom Chairman Sorensen reminded the board that we may have to call a special meeting on March 18 to open the bids for tax anticipation loans. The chairman and fiscal officer will be the only ones needed to sign the loan documents.

Ms. Courtright asked if we planned to be on ZOOM for the month of May. Mr. Ferguson stated that it will depend on whether the Governor continues the emergency to allow zoom meetings. By current law, a board member could call in, but could not vote.
