How to Order from LBLC

Ordering dye-sublimated apparel is a new experience for many of our customers. Follow these steps to design & order your custom sports uniforms & apparel through LBLC.

1. CHOOSE YOUR PRODUCTS

Choose your gear from our selection of dye-sublimated products. We specialize in men's & women's lacrosse uniforms, but we are constantly updating and adding new sports uniforms & apparel to our line.

2. REQUEST A QUOTE

After you have chosen your products, we will need to determine the estimated quantities for the order. We have many options & package deals to meet your exact needs. You will receive a bid with estimated cost for your order.

3. DESIGN YOUR ARTWORK

LBLC offers two main methods to create the artwork for your designs. These are through our template designs or the custom artwork process. Contact about the details & price differences between these 2 options.

Already have camera ready vector artwork? Submit your completed designs with no charge.

4. SUBMIT YOUR ORDER & DEPOSIT

After your artwork is approved we will ask you to submit a LBLC workbook with your order details (quantities, numbers, & sizes), shipping information, & method of payment. You will receive an electronic invoice for your order that can be paid for by credit card, bank transfer, or e-check. **We require a 60 % deposit to begin production on all orders**

5. FINAL APPROVAL

After we receive your deposit, you will be sent an image of a print proof from our production facility. This proof will contain the exact colors & design layout of your order. We require our customers to approve for final production.

6. RECEIVE YOUR ORDER

The final step is to pay your remaining balance in full. At this point, your order will be ready for pick-up or delivery.
