

HUTCHINSON ISLAND RE-ENTRY PROGRAM

DISASTER WINDSHIELD TAG

The St Lucie County Disaster Re-Entry Program has been established for residents of our barrier island to alleviate confusion after an evacuation. Residents of the island **MUST** have a placard to re-enter the island immediately following a disaster. This should be placed in your vehicle in the event of a hurricane or other emergency.

To receive this placard, each resident must produce two forms of proof that they reside on Hutchinson Island such as a utility bill with a local address along with a local driver's license. One placard is issued for each household.

Placards are issued at these locations.
