YOU CAN HELP SUPPORT SPLASHES OF HOPE AS THEY TRY TO MAKE A BIG "SPLASH" BY HELPING TO FUND TWO NEW PROJECTS TO UPLIFT THE ENVIRONMENTS FOR OUR LOCAL VETERANS

**NORTHPORT VA MEDICAL CENTER** will be receiving ceiling tiles. Joe Sledge, Northport's Senior Leadership Assistant states that "This ceiling tile project will honor and uplift severely ill and bed-bound military veterans at the Northport VA Medical Center."

**LONG ISLAND STATE VETERANS HOME** will be receiving murals. Jean Brand, Director at LISVH states "These murals will reduce the veterans confusion and help them look forward to an updated future."

Please help us support our local Veterans.
