

Dear Applicant,

Thank you for your interest in applying for the In-Home Supportive Services Public Authority Provider Registry. This is not a job application. If you are accepted to the Registry, we will refer you to IHSS Recipients based on your availability and how your application matches the clients' needs. The clients will make all interviewing and hiring decisions. There is no guarantee of referrals to IHSS Recipients, to interviews, or to hiring.

Included in this application packet are:

- 1. The application.
- 2. The three reference questionnaires to be completed <u>by your references</u> (2 personals and 1 employment). You must have your references complete their questionnaire. **Do not use relatives as your references**.

Applications must be returned in person. Applications must be complete and include 3 completed reference questionnaires. Please submit your completed application packet in person to our office:

San Joaquin County IHSS Public Authority 24 S Hunter ST. Room 5 Stockton CA 95202

Applicants accepted for the Registry are required to pass a background check to meet the requirements set in Federal, State, and local laws to become an in-home care provider for IHSS.

You will be notified of your application status by mail within approximately 10 business days after the Public Authority receives your application.

**If you already have an IHSS Recipient who would like to hire you as their provider you do not need to fill out this application.

In-Home Supportive Services Public Authority

The IHSS Public Authority was established by local ordinance 4147 in 2002 by the San Joaquin County Board of Supervisors.

The IHSS Public Authority is a local government agency created to improve the delivery of services to IHSS recipients and Homecare providers.

In January 2003, the Public Authority officially opened for business and in May 2003, the Public Authority Registry was created. The Registry's main goal is to assist recipients in finding homecare providers so that they may live safely at home. All Registry services are provided in accordance with the Individual Provider (IP) mode, which guarantees the IHSS recipient's right to hire, supervise, train, and when necessary, fire the homecare provider.

The IHSS Public Authority is responsible for specific tasks to enhance services to providers and recipients of In-Home Supportive Services in San Joaquin County.

What Does the IHSS Public Authority Do?

- Operates a registry of available IHSS independent homecare providers
- Performs reference and background checks
- Provides lists of screened providers to recipients to interview
- Helps IHSS recipients conduct interviews to choose a provider
- Provides a training orientation for new IHSS providers
- Offers information and training for IHSS recipients on how to hire and supervise providers
- Provides information to IHSS providers on local training programs in health care professions
- Assists both recipients and providers in resolving conflicts
- Serves as employer of record for all independent IHSS providers for collective bargaining purposes
- Provides employment verification to all IHSS providers
- Processes Provider enrollment packets for IHSS recipients when a provider is hired
- Contact for filing a Workman's compensation claim
- Administers Health Benefits for IHSS Providers

What is IHSS?

The IHSS Program helps low income elderly, blind and disabled individuals remain in their own homes when they are not able to fully care for themselves.

The program pays for a wide variety of services: household chores and personal care—enabling the recipient to live safely in their own home while encouraging self-reliance and independence. IHSS assists in helping recipients remain at home to prevent or delay using out of home care facilities.

Who is a Recipient?

An IHSS recipient is a qualified eligible aged, blind, or disabled person who is unable to live safely at home without assistance. A recipient is also referred to as a consumer or client.

Who is a Provider?

A care provider is a person who provides personal and domestic services to IHSS eligible recipients. A provider is also referred to as a Caregiver.

For more information on eligibility call the San Joaquin County Human Services Agency at (209) 468-2202 to speak with an IHSS Cover Worker.
