

You're Invited!

The Ontario Geological Survey (OGS) Invites
You to Attend a Presentation on the Results
of a Recent Airborne Geophysical Survey
Flown in your Area!

Come out and meet staff from the OGS and learn
about:

- Who the Ontario Geological Survey is
- What an Airborne Survey is
- Results from the recent survey flown in your area
- How your community can use the geophysical data
for Land-Use planning and many other applications
- Meet the staff and geoscientists

Date: March 20th, 2019

Time: 2:00pm-4:00pm

Meet-up Location: Thessalon First Nation
Community Center

Contact: Kathleen Naponse
