

*Dorland sponsors various events throughout the year intended to benefit the community and to showcase and foster the creative spirit of local and regional artists.*

## *Beginning Photography Workshop*

[With Andrew Roe](#)

**Saturday, November 5<sup>th</sup> from 2 - 4 pm**

- Stop taking blurry and out of focus photos
- Learn what all those buttons on your camera mean
  - Take photos of your kids sporting events
    - Move out of the "auto" zone!
- Impress your friends and family with your newfound skills

In this two-hour class, you will interact with old film cameras, while getting a lesson on the history of photography. After the fundamentals and elements of photography, you will get a hands-on lesson on how to properly set up your own camera.

Then the real fun begins...

You will put your new skills to use and make photos, taking advantage of Dorland's beautiful grounds. The class will end with review of the skills learned.

Take home a packet filled with the course materials and a newfound set of skills that will enable you to make outstanding photos in all types of situations.

**Location:** Dorland Community Arts Studio, 36701 Hwy 79 South, Temecula, CA 92592
