Subject: Oil & Gas Bills

DETAILS:

The 2014 Oil & Gas Tax Bills were mailed to appropriate tax payers during the last week of 2014. The bills contain a printing error. The bills incorrectly state that the 2% discount will apply to payments made only on Dec. 31, 2014, and that no discount would be applied for payments made during the month of January. This is incorrect.

The **"DISCOUNT" phase**, *to receive the 2% discount*, will run from January 1st – January 31st. **ALL** Oil & Gas Tax payments received from January 1, 2015 through January 31, 2015 will receive the full discount of 2%. The Sheriff's Office will be returning the payments received during January to tax payers with a letter offering them the opportunity to receive the tax savings and remit payment reflecting the 2% discount. To receive the discount tax payments must be received in the Sheriff's Office before 4:00 PM January 30th.

The Sheriff's Office apologizes for the inconvenience of this error. Should you have any questions, please call the Tax Division of the Floyd County Sheriff's Office at 886-8965.
