## **Message from Tony Raposo, UCARI's newly elected President**

Welcome to the UCARI website!

As President of UCARI, I am pleased to have the opportunity to serve the members of this growing association. UCARI was established in 1973 and was chartered shortly after as a state chapter of NUCA - National Utility Contractors Association, Fairfax, VA.

Throughout the next two years, I hope to be of service to you. Our website offers you a variety of information and links to federal and state agencies, as well as links to better assist you in your day-to-day business operations. If for some reason you can't find the information you are looking for, please feel free to contact the UCARI office. As President, I will also be updating you with the latest information on changes in economic conditions and legislative initiatives, both in RI and in Washington, DC.

Again welcome to our website and feel free to contact me should you have a concern or comment.

Best~

TONY
