

SCHOLARSHIP IMPROVEMENTS

Increased Funding

Our award amounts have increased! This allows more support for educational resources to our Shareholders! To see scholarship amounts, visit our website at calisteducation.org.

Award Types

We now offer customized Scholarship Awards for our unique Shareholder needs.

- **Academic Scholarships** for those pursuing post-secondary education at a college or university.
- **CTE Scholarships** for those pursuing vocational, trade, technical, and professional development programs that don't follow a typical academic schedule.

Annual Application

We've changed our application requirement to one-time per year, so that Shareholders don't have to reapply every semester.

Annual Application Period: Mar 15 – May 15

**A partial year award is available for those who begin their schooling mid-year. See application for details.*

Transcripts

We no longer require official transcripts when you apply for an Academic Scholarship. Unofficial will do! This helps Shareholders complete the application process without the cost and waiting related to ordering official transcripts.
