

Access Denied

“No access without permission.”

“No access without permission.” That’s what I heard, so I have to ask, to what are you allowing access?

Did you know the enemy cannot gain access without your permission. Ephesians 4:27 says, “Don’t give the devil any opportunity to work” (GW).

That means anytime you agree with lies concerning your future, you’ve just given him access (opportunity).

When you doubt what God has spoken to you, you’ve just given access to the wrong thing.

When your words tear down another, you’ve just given the enemy access.

When you walk in fear, you’ve just given the devil access.

When you submit to God’s spoken Word , you’ve just given God FULL ACCESS.

When you pray for others who spitefully use you, you’ve given God access again.

When you say no to temptation, you’ve given God access.

You were created for a purpose. God does have a plan for your life. He is going to use the circumstances to bring Him glory and you are going to OVERCOME.

The Lord wants you to deny access to those things that are NOT of Him and as you do, God will gain more and more access in your life. When He gains more access in your life, more of Him can be seen in your life. Do you see this? Be encouraged! Think about it.

God is not mocked: for whatsoever a man soweth, that shall he also reap (Galatians 6:7). It's a law of life and a great message of the Lord's law concerning what we give access to. How encouraging is this!

Whatever you allow access to is going to produce fruit after its kind. It will always have a return on it. If you deny access to things that want to harm you, they cannot produce stuff later on to hurt you. If you give access to godly principles and heavenly purposes, you'll produce things that are godly and good!

Next time the enemy shows up at your door tell him-
