

TOWN OF PARSONSFIELD

STREET SWEEPING NOTICE – JUNE 2, 2016

Parsonsfeld residents will notice street sweeping equipment working on the following streets: Devereux to Hillside Ave., Wadleigh, Stewart, Hillside, Garner, Power, Howe Drive, Fox Ave., and Sunnydale. This “spring cleaning” is intended to remove debris that has accumulated over the winter. Residents and business owners are encouraged to avoid street side parking during this time to allow the sweeping equipment to clean. The sweeping is weather-dependent and could be delayed or prolonged if poor weather conditions are encountered.
