In consideration of the Association’s agreement to permit Resident to use and enjoy the swimming pool, pool deck, clubhouse, restrooms and surrounding facilities and all other recreational and social facilities and amenities located on the Association’s common property and Common Area (“*Association Facility*”), and for other good and valuable consideration, the sufficiency of which is hereby acknowledged by Resident, Resident agrees to the following terms and conditions:

1. Resident understands and acknowledges that the virus (or other pathogen) that causes the condition generally referred to as COVID-19 (or similar infectious pathogen or infectious diseases) is likely to be present at the Association Facility, and Resident acknowledges the contagious nature of the SARS-CoV-2 Virus that causes COVID-19. Resident also acknowledges the risk of contracting the virus that causes COVID-19 associated with use of the Association Facility. Resident hereby acknowledges that Resident’s use of the Association Facility is done with full knowledge and disclosure of these risks and dangers associated with such use. Resident understands and acknowledges that this is true despite any action, omission, or failure to act of the Association to comply with applicable health-related guidelines, regulations, ordinances, statutes, executive orders and/or rules issued or promulgated by any federal, state or local government, agency or department, or to otherwise mitigate the presence of infectious pathogens or persons with communicable diseases.

4. Resident hereby acknowledges that he/she understands that measures taken by the Association and by any other users of the Association Facility may not be sufficient to prevent virus transmission or infection, that individuals may not comply with or properly implement applicable Association and/or government executive orders, rules or guidelines, thus increasing the likelihood of transmission or infection and that the risk of transmission and infection remains a reasonable likelihood through at least the year 2021.
