

When your heart is filled with gratitude, there is little room to worry or complain. Thanksgiving is a wonderful time to gather with family and friends, reflecting on the blessings from our good Father above. Today, make a point to turn your eyes onto what is most important and give thanks for ALL He has done for you.

Heavenly Father,

I bow my heart towards You. I want to give You thanks for all You've done I want to thank You for beauty in nature. I want to Thank You for joy and health, friends and family. Thank You oh God for daily provision and Your mercy and care.

These are all blessings You graciously share with me. Thank you for the ears to hear your message of hope loud and clear. Thank you for the blessings that are more than I deserve. Thank you for the legs to finish this race of life until it's won. Thank you for yesterday, today, tomorrow and for all the remaining days of life. May I live this day and every day conscious of all that has been given to me through You. I Love you Lord...and I give You thanks with a grateful heart.
