

Aug. 4, 1 pm, Paw Paw Eagles,

Pledge of Allegiance, Treasurers report and details from Gary and Joy about what was sold and memberships from The Burn Run. MRF - Bear reported as follows: "July 29th House adjourned for August recess, Senate follows by August 5th. Hell I had to work 2 Whirlpool 21 years to get 4 weeks off & that had to be approved by my boss. They get 4 weeks plus in the first term and their boss (US) has no say!" MRF staff has visited 46 state reps offices on profiling. Not much till they come back from vacation.

Dondi Vesprini as guest speaker explained how after only 52 hrs at 2 am the 138 pg no-fault insurance law was passed without public hearing, and what the changes mean especially to motorcyclist. The July Michigan Rider has Dondi's article with details and recommendations. You can go to the ABATE of Michigan website to read it and find something to tell your reps about what changes need to be made. THANK YOU DONDI FOR TAKING TIME TO MEET WITH REGION 12 AND EXPLAIN EVERYTHING ALONG WITH ANSWERING QUESTIONS!
