## Presidents' Message

What does 100 mean and why is it important? By definition it is the natural number following 99 and preceding 101. As a student, 100% is the mark of excellence on an exam. A child is proud to finally count to 100. One hundred degrees is the boiling point of water. There are 100 senators in the U.S. Congress. A football field is 100 yards long. Campers enjoy singing *100 Bottles of Beer on the Wall*.

As a Soroptimist, 100 reflects a time to celebrate! In 1921, 100 years ago, SIA began in Oakland, California, as an organization of professional women whose mission was service projects and education on worldwide issues. Soroptimist means "best for women" and today its 160,000 members strive to transform the lives of women and girls through access to the education and training they need to achieve economic empowerment. Our accomplishments have been many, and our impact continues around the world. It is with great pride that we look forward to celebrating our 100th anniversary.

You will see the theme of "100" throughout the year. We look forward to brainstorming ideas and projects at our January meeting to commemorate our "100" as Soroptimists! — *Ellen and Marya*

### SIGP's Holiday Celebration raises \$1000 for SI Annual President's Appeal: Road to Equality!

Twenty-eight Soroptimist Grosse Pointe club members attended its December 9, 2020, Holiday Celebration dedicated to the SI President's Appeal (SIPA). The door prizes alone raised \$611. With the addition of cash donations by members, the total came to a whopping \$1000! Every dollar will go toward the SIPA fund with its focus on "The Road to Equality." Thank you to all who contributed so generously. Special thanks to SIPA Committee members: Carolyn Barth, Mary Ellen Burke and Roseanne Horne.

The celebration wasn't all about raising money—as important as that was. It was also a party on Zoom that included a trivia quiz, a scavenger hunt, and an ornament making contest. Co-presidents Ellen Chapin and Marya Rosenthal, along with Vice President Laura McCourt, came up with clever activities right down to providing crafts for each member to conjure an ornament of her own making. The committee's creativity went above and beyond by including a charcuterie tray of goodies put together by Grosse Pointe's own Cornwall Bakery. Marya, Ellen and Laura were assisted by Carol Hofer in delivering the trays the same afternoon as the actual party. And lest we forget, an individual bottle of Brut champagne came with the package.

*Even though everyone was given a packet of the same craft materials, the final products varied widely. So much creativity! The one pictured above was voted the best and was created by SIGP member Liz Lucas. Congratulations, Liz!*

*(Continued on next page)*

### *Holiday Celebration (continued from previous page)*

The committee even arranged for a musical conclusion to the festive event by enlisting singer and guitarist Julie Beutel to lead everyone in seasonal songs.

In the days following, emails poured in complimenting Ellen, Marya, and Laura, for putting together such a noteworthy event.

*Marya Malkovich did a great job of finding trivia questions that were fun and educational at the same time. Despite it being multiple choice, it wasn't easy. This is a screen shot of one of the answers.*

*Screen shot of singer/guitarist Julie Beutel. Since several people expressed interest in hiring Julie once COVID is over, here's her number: 313-884-9861. She performs for all manner of celebrations.*

## **January Is National Slavery and Human Trafficking Prevention Month**

Many of you joined Soroptimist International Grosse Pointe (SIGP) because you were concerned with Human Trafficking (HT) in Michigan. Since this is such an important issue, and so many of you have expressed interest, SIGP's Human Trafficking Committee members, in partnership with Soroptimist International Greater Macomb (SIGM,) have arranged to provide you with the latest information from community leaders who combat this crime daily.

Throughout January, we will post links to interviews covering the broad spectrum of human trafficking in our nation, state, and within our communities. Our selected speakers are experts in their fields and will deliver the most up-to-date information available and provide useful insights to help put an end to this growing industry.

Look for the weekly HT link in your email throughout January. If you lose track of the email, you can always access each program on the SIGP or SIGM websites. Feel free to distribute the links to your friends, family, and people who will benefit from learning more about human trafficking. The more we know, the safer our world will be for tomorrow's generations!

## SIGP Friday Zoom Cocktail Hour

You don't have to drink a cocktail to attend SIGP Friday's Zoom Cocktail Hour. It's more about socializing, getting together and connecting with your Soroptimist people. Please mark your calendar FRIDAY ZOOM COCKTAIL HOUR on first and third Fridays of the month at 6:30 p.m.

## Amount Raised in December from returning bottles and cans = \$225.70!

## Gingerbread House Update

The SIGP Gingerbread House, created by SIGP members Anita Sandercott and Donna Fitzgerald, and displayed at El's Boutique on Kercheval in the Village, was a holiday delight. Although our entry didn't win a prize, many photos were taken and our "fan club" of customers and passersby definitely voted ours a winner. The house was a fun way to support our Grosse Pointe shopping district and raise awareness of our Soroptimist club.

— Laura McCourt

## Gleaners Food Drive

Our November speaker, Charles Graham, reinforced what we have all been hearing on the news. Food insecurity is a major problem both nationally and here in Detroit. People are very generous during the holidays, but hunger continues all year long. Our club is launching a "Friends and Family" food drive in support of Gleaners.

This is a small-scale event, asking for donations of canned goods and nonperishable items that YOU, your FRIENDS and your FAMILY purchased at the beginning of the Pandemic and now know you won't be able to use. Details will follow at our General Business Meeting. — Laura McCourt

## This year we're honoring three (3) Live Your Dream candidates

We have three awardees this year. A serendipitous alignment of good fortune occurred: We not only received applications from three worthy candidates but also raised enough money this year to allow us to award all three! (Normally we only award two.) Thank you to all of you who helped raise funds. You've made Ariel, Tonesia and Jeritha very happy! — *Bette Lepouttre*

## JANUARY SPEAKER: Where will we be 100 days from now?

Dr. Marc Rosenthal, our September speaker, will join us again at our General Business Meeting on January 13, 2021, at 6:30 p.m. He'll give a brief update on COVID-19 and the vaccine rollout. He will answer your questions and concerns and will advise us as to how we can get through the rest of the winter safely, and what we can expect as the weather improves. Please submit your questions to: Laura McCourt at [auraleecook@yahoo.com](mailto:auraleecook@yahoo.com) or bring your questions to the meeting.

## SIGP Awards Five Grants to High School Girls!

The ACT/SAT grants committee met in December and is happy to announce that we were able to award FIVE grants to local high school girls who were vetted by their counselors. The awards will allow them to take an ACT/SAT prep class through College Quest.

I'd like to thank Judi Dara, Carolyn Barth, Peggy Hart, Ellen Chapin and Marya Malkovich for taking time out during a very busy December to judge the applications.

— *Helen Clarren, SAT/ACT High School Prep Award Chair*

## FRIEND TO FRIEND

Throughout the dark days of winter and during this long pandemic, a friend can help lift our spirits and bring a bit of joy to our days.

YOU can be that friend. A phone call, an email, a card, a small remembrance can show that you care and are thinking of her.

You will be given a member's name and the information she has shared about herself. Make contact with her on a regular basis.

In the same way another member will be given your name and the information you have shared about yourself. She will contact you on a regular basis. TWO friendship may blossom for you!

## SIGP members outdo themselves this year!

### Clothing, toys, and stunning baskets donated to mothers and their children at Positive Images

Ladies of SIGP, as mentioned last month, but worth repeating, **more than ONE-THIRD of our membership contributed to purchasing gifts for Positive Images (PI) children!** We were able to supply 51 children with a new outfit and a toy or game! This was by far our best year of donations!!! You can see in the photos how wonderful the gift bags look!

*Tah-dah! They finished putting all the clothes and toys together! A monstrous job since the number of volunteers had to be limited due to COVID-19. Pictured here in Diana's garage are: (l-r) Diana Langlois, Bette Lepouttre and Mary Ellen Burke.*

*Wreaths, artistically refreshed.*

***See more photos  
on next page.***

On top of this, 50 gift baskets of all kinds of things were assembled by the efficient team of Anita Sandercott, Donna Fitzgerald and Ellen Chapin. Items in the gift baskets were recycled from garage sale leftovers or donated. Some examples of donations: Kathy DiCenzo, 50 pairs of gloves; Mary Ellen Burke, hand-made scarves; Mary Clare Toffanetti, 100 tea bags and silver bell candies; Jane Evola, 50 packages of cookies; Robin Crawford, china teacups; Nancy Solak, Kerri Green and Roseanne Horne, ornaments and holiday decorations.

Do take a look at the wreaths above. Ten of them and two table decorations donated this year! Dorothy Wasinger, Amanda Be and Donna Fitzgerald refreshed them and they looked brand new!

Delivering the baskets and gifts to Positive Images took five completely loaded vehicles: Bette Lepouttre, Roseanne Horne, Marya Rosenthal riding with Ellen Chapin, Mary Ellen Burke and myself.

Thank you again to everyone who donated money, items, or gifts. This was an extraordinary year!

## Our Ghana Girls

As of a few weeks ago there are no cases of Covid 19 in St. Anne where our girls are studying, nor are there any cases in Damongo, where the school resides. Alleluia! This is remarkable because other parts of the country have been hit, especially the larger cities

However, as of December 29, 2020, there are some remarkable statistics for COVID-19 in Ghana compared to the situation in Michigan. Ghana, which is a bit smaller than Michigan, hosts a population three times that of our state, around thirty-one million people compared to Michigan's population of around ten million people. But Ghana has "only" suffered 54,000 cases of the scourge, and 333 deaths. Michigan has suffered 480,000 cases with more than 12,000 deaths.

Perhaps the tight communities make a difference. Most people in developing countries do not have cars and do not visit various groups of people from other areas as frequently as do Americans. The vast majority of those in Damongo travel daily only as far as they can walk. We, in this country, tend to move around to many different places on a frequent basis and are in contact with many other people who are in contact with many others. Thus, the virus spreads. HURRY, VACCINES!

On a happy note, our club's first installment of donations for tuition and fees for the girls arrived safely. The girls are on their Christmas break right now, which lasts over a month, giving time for students to return home to various parts of the country for their home visits before the next term begins.

Several boxes of donated books were sent late last summer to St. Anne, but they are still in route. Hope the books arrive soon! Stay tuned. — *Carol Hofer*

## January Pet Profile -- Meet Shadow!

After losing my beloved Hobbes to cancer, I thought it would be a while before I would be ready to bring another dog into my life. We had Sam, our chocolate lab, but even he was reeling from the shock of losing Hobbes.

And then a friend showed me a picture of an incredibly sad dog left tied to the door at Grosse Pointe Animal Shelter in the middle of the night. Less than a week later, we were foster parents to Sundance, the name given to him at the shelter. We renamed him Shadow because of the five o'clock shadow around his nose and mouth and because he literally became our shadow, afraid to leave our side.

We immediately decided to adopt him, and at 60 pounds, he continues to crawl into our lap any chance he gets.

When learning went virtual last March, Shadow became my Zoom mascot. The picture on the left is a screenshot during a Zoom math lesson with my 6<sup>th</sup> graders. I think most of them attended Zoom class just to see Shadow.

The picture on the right is Shadow hanging out with my grandson Jack. The two have become best buddies! — *Marya Rosenthal*

**If you'd like your pet profiled:** Email Nancy Solak at [solaksinitaly@yahoo.com](mailto:solaksinitaly@yahoo.com). Please relate your pet's name, age, how you came to know him or her, what their favorite activities are and a favorite story about them. Oh, and please include a photo. Thank you so very much!
