United States, The United States of America, the principles of the 1776 Declaration of Independence and the 1787 Constitution of the United States irrespective whether of a National or of an International character.

However, this Claim does not relinquish The United States of America's claim to the public Rights of others' as "inhabitants of the United States" citizen/subjects/residents/bystander/aliens/enemies within the territory of the United States and the representative and principal governance of the same nor the Crown's retained position as arch-treasurer and prince elector of the Holy Roman Empire etc., and of the United States of America as acknowledged by the 1783 Paris Treaty of Peace; except in regards to Michael Joseph Kearns exclusive and private Right of Action and all available remedial Rights, rights In Personam and rights In Rem respecting the imperfect right(s), right of action. transitory action(s), caption, style, federal doctrine, federal res judicata, federal collateral estopple, federal law, federal jurisdiction, conveyance, grants, usufruct, title, ownership, war, emergency. bankruptcy, residence and etc., to and of the Territory and other Property belonging to the said United States since the signing of 1783 Paris Treaty of Peace.

The before mentioned Enabling and Enacting Article IV Clause, the Preamble to that Constitution, the Paris Treaty of Peace of 1783 (hereby ratified and adopted) and the Principles of the Declaration of Independence (also hereby ratified and adopted) otherwise provides the exception to the power(s) of the United States of America in Congress assembled to dispose of and to make all needful Rules and Regulations respecting the Territory and other Property belongings to the United States and confers the necessary and proper Enabling and Enacting Powers of choice of applicable Law in all Cases where Michael Joseph Kearns shall be a party to Michael Joseph Kearns, as one of a "people of the United States" endowed with unalienable Rights by my Creator, with the Lawful and Rightful authority, the Rule of Procedure and the Rule of Law to make this Claim of, in and for the United States and every part thereof, in the Nature of Dominion of and over the Territory and other Property belonging to the soil/Land of the United States and every part thereof, as a matter of Fact and fixed by the supreme Law of the Land without exception against the inferior provisional claims of the United States of America et al.

The 1787 Constitution of the United States, Article 4, Section 3 Clause 2, states, confers, identifies, enables, and limits that; "The Congress shall have [temporal] Power to dispose of and make all needful Rules and Regulations respecting the Territory or other Property belonging to the United States; and nothing in this Constitution shall be so Construed as to Prejudice any Claims of the United States or of any particular State."

In obedience to the last and the controlling underlined part of the clause respecting this Claim to the Territory and other Property belonging originally to the United States and every part thereof and to the Fact that within the United States the Powers of Sovereignty (Law making Power/Rights) are vested to and reside with the People making a claim of the United States or of any particular State at all times and secured by Article IV section 4 of the 1787 Constitution of the United States.

The United States of America et al, is not Sovereignty, but rather the artificial person (the created temporal sovereign machinery) the hereby Claimed intransitive subject Agent for Michael Joseph Kearns in and for the United States instituted, for the purpose of securing all of Michael Joseph Kearns endowed and unalienable Rights, among men who hold their office by good behavior deriving their just powers only from the willful consent of Michael Joseph Kearns established as the Territorial sovereign in and for the United States by this Claim of Dominion to and of the Territory and other Property belonging to the United States.

In the direct exercise of the choice of Law and/or the Law making Power in and for the United States (new and/or different fixed lex loci) by and exclusively for Michael Joseph Kearns respecting the Territory and other property belonging to the United States; and without the representative provisional United States of America et al; whether vested in the inferior Congress Assembled, the President, the courts at law, the heads of departments or with the administrative divisions and subdivisions (STATE OF ILLINOIS, STATE OF TEXAS, COUNTY OF BEXAR, CITY OF SAN ANTONIO & ETC; except as appointed intransitive subject agent(s) de jure for Michael Joseph Kearns in and for the United States or any particular State (Texas, Illinois and etc. Accordingly:

Be it Enacted in and for the United States and every part thereof: Nothing in the 1787 Constitution of the United States ordained and established for the United States of America to provisionally dispose of and to make all needful Rules and Regulations respecting the Territory and other Property belonging to the United States shall be so Construed [interpreted] as to Prejudice [obstruct, injure, damage, diminish, or impair] this Claim made by Michael Joseph Kearns to the soil/Land and all parts thereof of the United States regarding, in respect to Michael Joseph Kearns but not limited to Michael Joseph Kearns, the disposal of and the needful Rules and Regulations respecting the Territory and other Property belonging ab initio to the United States and as herein and hereafter made a part of this Claim on a

Michael Joseph Kearns shall have substantive Powers and Rights to enforce this Enactment by Independent/appropriate Action, in all Cases, by Suitor's one supreme Court in and for the United States.

Be it Enacted in and for the United States and every part thereof: Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted as matter of Record by Suitor's one supreme Court in and for the United States, shall exist within the United States, or any place subject to the Jurisdiction of the supreme judicial Power of the United States. Be it Enacted in and for the United States and every part thereof: Where constitutional questions, both as to Law and Fact involving the subject(s) of Law(s) from the construction of the first seven Articles of the 1787 Constitution of the United States, are clearly presented by the supreme/final preceding, order, decree or judgment made a matter of Record in any Court(s) or Agency(s) within the United States. and the opposing order, decree or judgment rendered or the opposing answer or proceeding can not be made without adversely affecting Suitor's, Michael Joseph Kearns substantive Right(s), the Revolutionary War for Independence, the 1776 Declaration of Independence, the 1783 Paris Treaty of Peace, the 1787 Constitution of the United States, and the laws of and for the United States made in pursuance of that Constitution and the supreme proceedings, orders, decrees, and Judgments are substantial as involving the rights to exercise the Article III section 2 clause 2 independent Jurisdiction of Suitor's one supreme Court in and for the United States respecting the Territory and other Property and every part thereof belonging to the United States now in Suitor's, Michael Joseph Kearns', possession by this Article IV Section 3 clause 2, Rule of Claim of Law and the absolute effect and enforcement to be given to the Writ of Mandamus issued from Suitor's one supreme Court in and for the United States to any functionary of the United States of America shall not be construed as to prejudice this claim to and/or of the United States, nor reviewable, reviewed, dismissed, denied, delayed, impaired or obstructed but rather in all Cases shall be complied with and executed with prejudice forthwith.

States to the government, proprietary, and the territorial Rights of the same and every part thereof of the United States provides the basis in whole and/or in part for relief from federal jurisdiction, law and procedure (suspending or superseding the "not binding precedent" federal jurisdiction, laws and acts and suspending, or rendering the federal rules of procedure unnecessary, but binding the United States of America et al to its acceptable rules of procedure to the point that all Laws in conflict with such rules shall have no further force or effect) and provides the basis for the United States of America et al, to act as Agent regarding its governmental interest (mandatory Article IV section 4 agency cognizance; geographical Duty to every State in this Union and every part thereof) in favor of Michael Joseph Kearns in all Cases under the principles of Conflict of Law.

These choice of Law principles are by this Claim the difference between the Laws of different jurisdictions, (planes) arising in all Cases where Michael Joseph Kearns has been or shall be made a party having acquired and/or created new/different primary and secondary substantive Rights, which shall not be abridged.

This Claim establishes a private and an Independent branch of Jurisprudence (Private International Law) for Michael Joseph Kearns in and for the United States, arising from the diversity of Laws of different Jurisdictions clearly identified as belonging to the United States and not the United States of America, in their application to substantive Rights and secondary Rights as Remedies. This new law of the Place specifically Known as the United States reconciles the inconsistency, and decides which Law, policy or system is to ultimately govern in Suitor's particular Case(s), and settles the degree of force to be accorded by the United States of America et al as the intransitive agent subject, both as to Law and Fact, to the Lex Loci of Suitor's independent Jurisdiction(s).

This Claim establishes, either where the private jurisprudence made and Claimed by Michael Joseph Kearns varies from the provisional public Law, or where the provisional public Law is silent in regard to final Remedies/Rights or where the provisional public Law is deemed foreign to the United States or not exclusively applicable to the Case in Point, that any potential judgment made by Suitor's one supreme Court in and for the United States is never the less, binding upon all public functionaries of the United States of America et al as well as private persons, as conditions precedent In Law saving to Suitor in all Cases all other Remedies to which Suitor is entitled to by this Claim.

This Claim acts as an appendix to the AMENDED DECLARATION OF
