

There are 5 unclaimed 50/50 numbers for 2012. Anyone wishing to add to their stash of numbers, should notify John DeSimone.

The last two weeks of the 50/50 drawings saw two new winners added to the list. Luke Wolters won the week 19 drawing for the fourth time since 2003, but it was the first win with #36 since 2003. There are still 18 numbers on the "Have Not Hit" list since 2003. Also, congratulations to Ron Emma for closing out the 50/50 season with #80. It was only Ron's 2nd win since joining the DGA. Mark Schuler and Shane DeLeon are the only 2 active members to have never won the 50/50.

Weeks 17 and 18 of the 50/50 drawings welcomed two new winners to the party this year. Congrats to John DeSimone and Ron Ceglia, Jr.. It was John's 6th win since 2003 and Ron's 2nd win - his 1st win came in 2010. Interesting statistic...John has 1 win in each of the last three years - all in week 18 and two of the three are with the same number.

Weeks 15 and 16 of the 50/50 drawings saw another repeat winner for this year and a winner who has won with the same number. Congrats to Mike Jeffries for his 2nd win this year and his 10th win since 2003. Mike is the 1st DGAer to win the 50/50 10 times since 2003. He left the other 9 time winners behind (Fitz, Wally, and FT, DGA). The week 16 winner was John Perry which was John's 5th win since 2003. The interesting stat. is that of John's 5 win's, four of them have been with the same number (22).

Weeks 13 and 14 of the 50/50 drawings saw something new and a "here we go again". Congrats to John Rutigliano for winning the week 13 drawing. It was John's 4th win since 2003. Week 14 did not grant us a new 2-time winner, but it did give us our 1st 3-time winner for the year. Larry Thiry hit again - with his 3rd different number. It's only fitting since he has 4. It's Larry's 7th win since 2003 moving him into the upper echelon of 50/50 winners.

Weeks 11 and 12 of the 50/50 drawings saw 2 new winners added to the list. The string of repeat winners was stopped at 2 (2 consecutive weeks and 2 winners). Jim Rinaldi hit for just his 3rd time since becoming a DGA member, and Dan Price hit for the 5th time in his DGA tenure.

We've reached the 1/2 way mark of the 50/50 season and finally tapped into the repeat winners. Larry Thiry and Mike Rolph switched the order but both hit for the 2nd time this year. Larry is now plus \$20 and Mike is plus \$40 from a 50/50 perspective. It is their 6th and 3rd wins, respectively since 2003.

Weeks 7 and 8 see 2 favorites hit the 50/50 heading into Belmont weekend. Dave Perry rides #88 to his 8th win since 2003. Any similarity to Johan Santana's no-hitter (#8 is a theme). Then, not to be outdone, Wally Heda hits in week 8 with #70 for the 9th time since 2003. Wally joins, Frank Thiry, DGA, the eloquent Rich Fitzgerald, and Mike Jeffries as the only 9-time winners since 2003.

Two more winners added through week 6 of the 50/50 season. Mike Rolph barely steps foot back in NJ and takes home \$50 and then Larry Thiry follows suit in week 6. It is Mike's 2nd career win and Larry's 5th win since 2003.

Two more winners added in the early part of the 50/50 season. Congratulations to Reese Evans and Mike Jeffries. It is Reese's first ever 50/50 win and Mike's 9th since 2003.

The first two weeks of the 2012 50/50 are in the books. Congrats to Dennis Grote and Bob Babetski. It is Dennis' sixth win and Babo's 2nd win since 2003.
