

John Joseph “Jack” Leigh **JOC, USN**

Thanks for the mention of Jack Leigh. Or as he introduced himself on TV, Navy Journalist Jack Leigh. Often while driving inside Tan Son Nhut we would offer a ride to anyone that needed it. One day a fellow employee and I saw Jack along the road and gave him a ride to the civilian airport. I don't recall if he was going on R&R or home. We only had a few minutes to talk. He seemed like one hell of a nice guy. I was very sorry to hear of his passing.

With celebrity status in Saigon I've always wondered why AFVN lacked the resources to provide transportation for one of their own to the airport.

This page is a little different than most of the TAPS page attachments but is included here because so little is known about JOC Leigh. The above was originally part of a message from Jim Anderson to Bob Morecook dated January 27, 2015.
