

Colorado Military Academy

Board Policy: Board Membership Changes

The CMA Board acknowledges that there is a need for additional members to be added to the governing body. Their desire is to draw in one to two parents whose children attend the school. The first choice for the 2019-2020 school year will be the President of C-PATs, the school's parent-teacher group or her designee. In 2020-2021 the Board will seek a senior member who has served well with our Civil Air Patrol squadron.

Additionally, the Board will determine staggered terms for the current Board members so that members are rotated off without losing all corporate knowledge at the same time.

Joyce Schuck
Board Chair
