GIVING LEADERSHIP CONFERENCE VOICE

SUCCESS COMES FROM THE RICH ROOTS OF EDUCATION

Northwest Suburban Integration School District is proud to present its annual Giving Voice Leadership Conference. Our first **VIRTUAL** conference.

The purpose of this conference is to teach teamwork, leadership skills and workplace values; promote interest in the field of education; and encourage students to enroll in post-secondary education.

The conference unites a diverse group of approximately 500 high school students that participate in one of two programs: Advancement Via Individual Determination (AVID) and Educators Rising NWSISD. Students participate in an all-day conference that will include a variety of virtual workshops, competitive events and a college & career fair.
