

THANK YOU SE SPOKANE COUNTY FAIR ASSOCIATION AND COMMUNITY

Thank you to all who participated making the 75th fair a huge success!
The numbers were way up in the exhibit building, livestock area and Harvest Hoops.
The fair royalty did a wonderful job representing the Southeast Spokane County!
*It was a proud moment to see our very own residents, Art and Helen Grewe,
representing our town as Grand Marshals in the parade on Saturday!*

Outdoor Burning

There are no restrictions on recreational fires at this time. Please review the requirements related to recreational fires at spokanecleanair.org

Rockford's Arbor Day

Come help us celebrate our very own Arbor Day, in accordance with the requirements of being a Tree City, USA.

We will be planting a tree in the Town Park on 10/25 3:30pm

Mayor

Carrie Roecks

Councilmembers

Clint Stevenson

Micki Harnois

Bill Benson

Tim Fricke

Brian Laude

Budget season is upon us. It is always a time consuming and demanding task to try to predict what the new year will bring for income and expenses.

Rockford has seen a bit of growth this year, which will help with certain revenue funds. We will likely have a budget workshop, and a minimum of 2 public hearings before we adopt our 2020 budget.

If you have questions or comments we urge you to attend one of the upcoming meetings, or talk to any of your councilmembers. Although there are certain requirements of the budget, we still want to hear what is important to you, and how we can better serve our residents.

Composting Hours

Monday—Friday
9am-12pm, 1-4pm,
\$12.00/yard No branches larger than 4" in diameter. No root balls.

Time To Pack Water Meters

Weather permitting, October 23rd will be the last time we will be reading the outside water meters until spring. After this date, please be sure to pack your meter boxes before the weather freezes. Now is a good time to clear the debris from in and around your meter boxes. Removing dirt and weeds will make it easier for winter packing and spring reads.

If you need assistance, please call Town Hall to make an appointment. There is a \$25.00 charge for Public Works to pack your meter for you.
