

Provision Given

I was sitting here wondering what to write about today and a thought literally flashed through my mind, "Everything I Need," so I am going with it. GRIN.

I know you know this....but today the Lord is reminding you of a very important truth. Through Jesus you have everything you need. That is the absolute truth. I don't know what you are dealing with today or what you need, but He is everything you need.

Please hear me. I am not just talking about materialistic things for He absolutely will provide what you need when you need it.

Definition of need:

- a lack of something wanted or deemed necessary
- a situation or time of difficulty
- necessity arising from the circumstances of a situation or case

Here is a truth I learned many years ago: God supplies my need, not my greed. He is not going to provide for your greed. That is flesh. And flesh always contradicts the spirit. Provision is given in every area of our lives when it is a need. Many people confuse need and greed even though they are two very different things (I think you get the picture).

It is through Jesus and because of Jesus that we have everything we need. He is our continual source of provision in the natural and spiritual.

I love the Word and the truth it brings to our hearts. Provision is there. What do you need? Do you feel pounded by the enemy? He has redeemed you from the hand of the adversary (Psalm 107:2) and delivered you from the powers of darkness (Colossians 1:13).

These are not just words written to sound good, they are truth. They are full of provision.
