The Jeffrey Foundation celebrated a 'Night To Remember' to benefit children with special needs with more than 100 guests, supporters and Board Members of the Foundation, and a fabulous fashion show and art exhibit in the Los Angeles Culver City District Helms Bakery Building. The evening featured Beverly Hills fashion designers Karen Michelle and Melissa Kritsotakis with entertainment by singers Larry Covin and Zac Benton. Attendees enjoyed an extensive wine bar and exquisite cuisine prepared by Chef Suz Landay. The festive decorations were generously donated by Beverly Cohen. The event was supported by the "Circle of Love" committee: Bunny Amber, Elaine Bernard, Beverly Cohen, Shanna Forman, Joanna Kerrani, Suz Landay, Mauria McPoland, Mara New, Poppy Paulos, Linda Schwartz and Honorable Diane Watson. The fashion event was co-produced by Nataliya Joy Prieto Takowsky and Mara New with an unveiling of a sculpture by Georgia Tolliver of Alyce Morris Winston. The event raised \$40,000 in pledges for a desperately needed playground at the Jeffrey Foundation school for special needs children. Tax deductible donations are welcome for this cause. info@thejeffreystation.org 323-965-7536 thejeffreystation.org
