Dear Friend of AAIM,

The **Alliance Against Intoxicated Motorists** is an organization that works very closely with victims of impaired and reckless driving crashes. In our efforts to aid these individuals, **AAIM** started the **Victim's Assistance Fund**, which offers financial help in a devastating situation. The fund provided mortgage payments for a family whose father was killed, supplied Christmas presents for the children whose mother was killed and funded grief counseling for children filled with anguish over the death of their father and siblings. These are just a few examples of what this fund can do.

*Pictured are 9 people – who's lives were impacted by impaired or reckless drivers. While they may not be well-known to most, they are the very special, lost loved ones of **AAIM's** members. The families of these 9 individuals have joined together for the greater cause – to aid and support the ever-growing populace of impaired and distracted driving victims.*

To help these victims, **AAIM** is hosting its 33rd annual benefit to raise money for the **Victim's Assistance Fund and AAIM Traffic Safety Prevention Programs**. The benefit luncheon will be held at Medinah Shriners, 550 North Shriners Drive, Addison, IL 60101 on Sunday, October 22, 2023.

We appreciate that you likely receive many requests, but we ask that you consider supporting **AAIM** by utilizing our program book, which contains heartfelt stories from victims and offenders.
