

Twisted Oaks 2013

Hello fellow shooters,

Had a great first annual shoot here at Twisted Oak Range. We had 35 shooters come out to spend the day having some fun and to support our new range, and we are so grateful for them. We had a few shooters that couldn't make it, we wish you could have been here with us, maybe next time.

All our family that we recruited to work did a fabulous job for us. They fell into it like they'd been doing it forever and I just have to say a big thank you to them...got to love that Pohl bunch!

We had a beautiful day to shoot with good friends and family, what could be better than that?

It did get a little windy, well more than just a little to be honest, around the third round as a rainstorm went around us,

but it didn't rain thank the Lord! All in all a good day. We ran on time with just a couple of hiccups and had a safe match.

Coming in first place with a score of 880 was Dennis Reed, Congratulations Dennis.

In second place with a score of 840 was Dean Thomason and in third with a score of 830 was Darrell Martin. Congratulations! And the door prize winner of a Bone Collector gun case was Sam Duke, congratulations and hope you

enjoy it.

We would like to thank Mike, Sam, Joe and Tad for all their help and advice on getting this range rolling, we couldn't have done it without you and it meant the world to us.

Looking forwards to next year and bigger and better things for the range, we sincerely hope that everybody enjoyed the range and had a good time here at Twisted Oak...We enjoyed y'all being here and hope you come again.

Twisted Oak and the Pohl Family....
