# JUNE 5-9, 2023

# *The Roper Victim Assistance Academy of Maryland (RVAAM)*

The University of Baltimore (UB) is pleased to announce the 25<sup>th</sup> biannual Academy scheduled June 5-9, 2023. This will be RVAAM's fourth online Academy.

The Academy is modeled on the National Victim Assistance Academy, the nation's premier training and education program for professionals who assist victims of crime. The Academy offers a rare opportunity to live, work, study and interact with victim service providers from all areas of advocacy. While it is assumed that students have had previous training in their area of specialization, this course provides a fundamental overview of the entire field of advocacy including victimology, victim rights, and victim assistance for residents in Maryland.

## **RVAAM Goals**

1. *Provide a broad spectrum of basic advocacy training that will standardize the training of crime victim advocates in Maryland.*
2. *Expand and enhance the level of professionalism within the victim services field.*
3. *Provide an opportunity to network with other victim service providers.*
4. *Increase knowledge of national, state, and local resources.*

## **Academy Partner**

The University of Baltimore is located in the cultural district of Baltimore, the economic, cultural and governmental center of Maryland. UB offers more than 50 undergraduate, graduate and professional degree programs. Students acquire long-term learning skills that help them meet the challenges of a 21st-century career.

## **Academy Faculty**

Outstanding state leaders in the field of victimology, criminal justice and victim rights join expert practitioners and host faculty from UB

to provide a rich education foundation grounded to practical application across the field.

## **Who Should Apply?**

The RVAAM encourages the attendance of individuals from victim service agencies and other organizations that serve crime victims. This includes paid staff and volunteers from a variety of community-based and system-based programs and other allied professionals such as law enforcement and corrections. We encourage individuals to apply who are responsible for the training of staff who service crime victims.

## **Participant Eligibility**

The Academy is designed primarily for victim service providers and allied professionals who have had a minimum of two years in the field of victim assistance. Due to the Academy being virtual, participants need access to a computer with a camera and audio systems throughout the entire training.

## **Application Process**

An application form is included with this brochure. In order to be eligible for selection, a candidate must submit one typed application and two letters of recommendation, one from your supervisor/ program coordinator. Please note that the application includes a Pledge that must be signed committing each applicant to complete the necessary preparation and required reading **prior to June 5<sup>th</sup>**, the starting date of the Academy. The blank application form itself may be photocopied and shared but typed and completed; it should be emailed with recommendations included. *Faxed copies will NOT be accepted.*

## ***Selection Process***

In selecting participants from among all those who apply, the Selection Review Board will engage in a process intended to promote an Academy class which reflects a balance in cultural, programmatic, professional, and geographic diversity. Applicants will be notified of their selection status *by NLT*

*May 16, 2023.*

## ***Orientation Meeting***

A Pre-Academy Orientation meeting will be held online via Zoom prior to the start of the Academy on Tuesday, May 16<sup>th</sup> 10:30-12:30pm. A reminder will be included in the acceptance letter.

## ***Academy Logistics and Costs***

Although participants are not residing overnight, there are still costs incurred to operate and manage the Academy. All participants must attend the entire Academy, be online with a video camera on at all times. Tuition and course materials are \$300.00.

## ***Academy Funding Options***

Agencies receiving VOCA funding and have a line item in their budget earmarked for training may use those funds to defray the cost of the Academy. Agencies that do not have training funds designated as such in their approved budgets but have unspent VOCA funds they wish to transfer into a training line item for the Academy, must contact your VOCA Grants Office for approval to do so.

The National OVC offers scholarships for Professional Development. For more information go to [www.ovcttac.org/scholarship](http://www.ovcttac.org/scholarship)

Applicants who are able to demonstrate a financial need within their agency, may apply for an Academy Scholarship. There are a limited number of both full and partial scholarships. Once an applicant has been accepted, the applicant will receive a scholarship request form that requires a signature from their agency's financial officer that validates the financial need.

## ***Academic Curriculum***

A comprehensive academically based Curriculum manual that includes more than 30 subject areas has

been developed to serve as the Academy's primary educational resource tool. The text, which will be provided at the pre-Academy meeting, provides the curriculum foundation, and should be read in preparation for the Academy experience.

## ***Academic Credit Option***

Undergraduate and graduate level academic credits in criminal justice are available through UB for an additional fee. Credits will be granted upon fulfillment of all requisite conditions and Academy completion. Questions regarding academic credit may be emailed to: [dstanley@ubalt.edu](mailto:dstanley@ubalt.edu).

## ***Academy Credit***

Continuing education units will be available for selected professions (e.g., police, corrections, parole, probation, counseling, social workers, therapists, nurses, etc.).

## ***Certificate of Graduation***

Upon successful completion of the entire Academy, including participation in all Academy sessions, participants will be awarded a state certificate of completion. Participants may also apply for State of Maryland certification and may also be eligible for NOVA's National Certification.

## ***Alumni Association***

All Academy graduates are invited to participate in the Academy Alumni Association. The Alumni Association provides a vehicle by which Alumni may sustain an active and vibrant network of communication, coordination, and advocacy.

*"I had the privilege to participate in the June 2004 RVAAM. An assembly of academics and professionals from a variety of disciplines and professionals embarked upon a week of full itinerary. We concluded with an unbreakable bond of wisdom, resources and friendships. The forum provided an opportunity to dialogue, expand and heal. To those brave men and women who found the strength to disclose their personal testimonies of how they evolved from victims to become victors: and to those who dedicate a full-time work week to provide support, assistance, and knowledge, I thank you. Thank you for allowing me to be in the midst of your growth."*
