### New Business

- Recommend that list of what is on each truck be made and placed in cab or cabinet door.
- Hiram Battery operated extrication tool demo offered. Maybe in the fall.
- Need to be sure that captains and lieutenants take care of station and equipment after incidents. If you can't take care of it, then check to make sure someone is taking care of it.

- Try to grab an apparatus even if on the way to work. Will arrange ride back to the station if you need to get to work.
- Need to be clear on command. If en-route, might need to relinquish command to mutual aide.
- Still some work to finish up on Forestry 5, probably in service mid-July.
- Granted an extension to put state truck in service. Will service as we have a better sense of spend against budget
- July 2<sup>nd</sup>. Standish Fire Alarm or Sebago Fire Alarm when responding to their calls.
  - Switch to their frequency. “Baldwin 317 to Cornish Fire Alarm could you have them send Utility 1 or tanker or what ever to address.”
- Water supplies are low, so don't chance it call for mutual aide.
- June 30 work day at North Baldwin at 8:00 am. Lot's of cleanup around station. Need to wash hose.
- Engine 1, engine 5 and squad 3 should have big traffic signs.
- July 23<sup>rd</sup> officers meeting at community center. 6;30
- Eric completed FF1 ceremony. Plus company of the year. Should be recognized in the Shoppers Guide.

#### East Baldwin

- No base radio
- Moved life flight lights into hard case.

#### North Baldwin

- Change out door lock to same as other stations. Hold off for now, due to other priorities.

#### West Baldwin

- Need regular nozzle for pre-connect, need foam cartridges.

Meeting adjourned at 20:05.

Next meeting at Baldwin Community Center on June 30th, 2018 at 18:30 following family supper.
