

2019 Fundraiser Giving as easy as 1-2-3!

- 1) Go to our supporter website
lifesaverheartbeat.com

- 2) Click on the RED **"Make a Donation"** Button
You will be directed to enter your credit or debit card information and the dollar amount of your gift. In addition, you may click on the **"Add Special Instructions"** tab and designate what category of giving you would like your gift directed toward. If there is no designation, we will simply apply to the area of most need. In addition, you will be able to choose whether this is to be a one-time donation or a monthly recurring gift.

- 3) Every week between now and October 31st, we will provide an ongoing total (at right) that will allow you to see how much has been given to each specific category and how much is needed for the ministry reach its goals. This can be viewed by clicking the "2019 Fundraiser" Tab on the home page. There you will be able to view an ongoing tally of donations by category to see what is left to reach our goal!

Helping to fund our fostering category is a way to be part of meeting the practical needs of families as they care for children whether it be through foster care or guardianship placement. Helping to fund our Building & Grounds category allows you to be a real part of maintaining the facility out of which we operate without swinging a single hammer or shoveling a flake of snow! We value stewardship of the building God has given us to work out of and are thankful for resources to make needed repairs and improvements as needs arise.
