 PETE	PETE - Poly(ethylene terephthalate):	Soda bottles, water bottles, cooking oil bottles, and medicine containers.
 HDPE	HDPE - High-density Polyethylene:	Containers for: laundry/dish detergent, milk, shampoo, conditioner, also various toys, and grocery bags.
<p>NOTE: Rinse and smash your plastics. All lids/caps should be removed before placing in the recycling containers. Lids/caps are a different recycling number than the plastic container and they are recycled separately.</p> <p>The products shown are just examples, so when sorting recyclables always check the recycling number imprinted on the bottom of the plastic item.</p>
