About the S.T.A.R.S Program:

The Wakefield Educational Foundation invites you to participate in the S.T.A.R.S. program. ***Through this program you can acknowledge those teachers and staff who have made a special contribution to your child's education.*** This is a great way to say "thank you" during the holidays! S.T.A.R.S. (School Teachers Are Really Special) allows donors to contribute to the W.E.F. grant program while acknowledging a special teacher or staff person. When you make a donation, the honoree will receive a personalized card acknowledging that a gift was made by you in their honor (the amount is not mentioned). The card is printed on beautiful white linen stock. At the same time you are putting much-needed funds directly into the Wakefield Educational Foundation which underwrites the cost of special programs, equipment or services to enhance the learning experience for students at all grade levels. Since our inception in 1989, WEF has awarded over \$285,000 in grants.

How to Order:

Simply fill out the form below and return it with your check payable to W.E.F., at P.O. Box 1752, Wakefield, MA 01880 or place in an envelope addressed to WEF STARS and leave it at the front office at your school. If you have any questions, please email us at info@wakefieldeducationalfoundation.org.

ALL REQUESTS not received by the current cycle's deadline, will be honored for the following STARS cycle.
STARS is a biannual event, taking place in the late fall and the spring.

Please print legibly!
