

## **New Dates for 2019 Team Dart! April 11-17**

When NDA moved the Team Dart tournament to Westgate for this year, we also put some future dates on hold. Unfortunately, for 2019 and 2020, our only available option (at the time) was to conduct the event over the Easter Holiday.

While we went ahead and confirmed those dates, NDA continued to work with Westgate to explore alternative dates. Las Vegas remains the hottest event destination in the world and another group was holding the dates at Westgate during our preferred time slot.

NDA is delighted to report that Westgate approached the other group, who has agreed to release their hold on dates one week earlier...

...So, the new dates for **2019 Team Dart** are **April 11-17** at the Paradise Event Center at Westgate, one week in advance of the originally-announced dates.

We are in the process of working on dates for 2020 as well, but in the meantime, NDA acknowledges Westgate for working with its other customer(s) to make this happen. Based on the feedback we received in the wake of announcing dates for next year's tournament, we know many were unhappy about the conflict with Easter. So were we.

NDA heard you. Westgate heard you. Together, we were able to address and successfully resolve the problem. Now, let's all focus on making next year's Team Dart bigger and better than ever!

Please mark the new dates on your calendar and plan to participate in the **2019 NDA Team Dart Tournament: April 11-17, 2019.**
