

**There is more to me
than my disability.**
Community Connections

Volunteer "Beertenders" needed

Community Connections is staffing the beer "hut" during the Durango & Silverton Narrow Gauge Railroad's "Great Pumpkin Patch" held the first three weekends in October – October 5-6, 12-13, and 19-20.

There are three trains daily and the groups are dropped off for 1 ½ hours. When the trains arrive, we sell beer and talk to people. Morning shifts help set up our "hut" and ice down the beer. Afternoon shifts help take everything down.

The event is located at the train property north of Durango near the old glider park. There are multiple shifts available listed below. Please contact Laura Alsum at 970-385-3452 or laura@cci-colorado.org for more information and to sign up for a volunteer shift!
