

**ROBERT  
LUEBBERING,  
REGIONAL SALES  
MANAGER**

Bob joined Batsner in 2007 in the role of outside sales. He provides application solutions for Bulk Material Handling Equipment and Instrumentation.

Previous to Batsner, he was the Vice President of Sales at PG LifeLink and also held Sales positions while working for Ronan Engineering.

He has an Associates in Mechanical Engineering from Cincinnati Technical College and a Bachelor of Science degree in Industrial Technologies from Northern Kentucky University.
