

God says, "There is purpose for Your life. Your life has purpose. You are not a mistake. Your life has meaning. You are important."

What's the definition of purpose? "The reason for which something is done or created; for which something exists."

There is a reason why you exist. You have a place of purpose in the Kingdom of God. You are so important that His eye is always upon You. Stop doubting it! You exist for His purposes.

The world did not create you. God did. God's system is completely different from the world's system. God's system was in place long before you are born. You are part of God's system.

God created each one differently and each one is uniquely designed by God for a specific purpose. You are God's handiwork, created to do good works which God prepared in advance for you to do (Ephesians 2:10).

God knows you. He created you. He wants you to be who He created you to be, not what others say you should be or what you think you're supposed to be.

Proverbs 16:4, "The Lord has made everything for its purpose."

You have Kingdom purpose for your life. He is asking you to believe Him today! He has a plan and He will fulfill His purpose for you (Psalm 138:8). You are not like other people. Each person has been created uniquely by God with no two individuals being the same. No two fingerprints are the same, and that means no two people are the same.

You were created in His image and in His image He created you (Genesis 1:26-27). All things were created through him and for him. For every purpose (that means YOU!) there is a season, and a time for every purpose under heaven (Ecclesiastes 3:1).

God says, "You have purpose."

God says, "You are loved unconditionally."

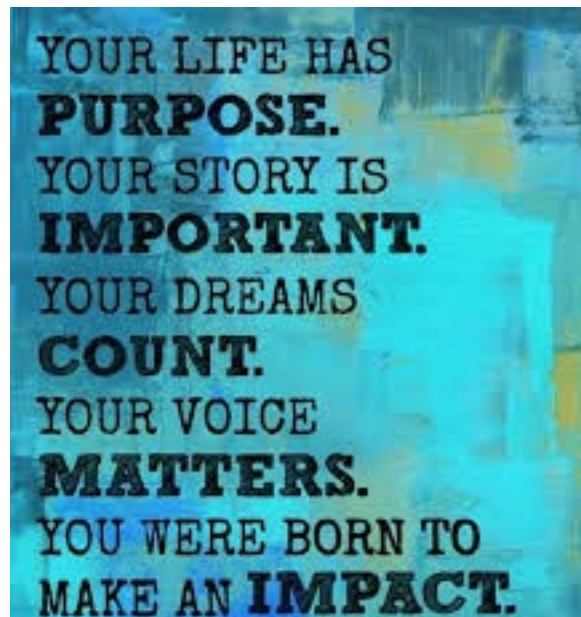

God says, "You are accepted by Him."

God says, "You are so special He has adopted into His family."

God says, "You are more valuable to Him than you realize."

God says. "He loves you with an everlasting love. You are His beloved, and you have purpose in Him."

Lord, today we embrace the truth that You purpose for us because we believe that Your word goes out from Your mouth. We know Your word shall not return to You empty, but it shall accomplish the "purposes" and shall succeed in the things for which you sent it!
