Commission Internal Discussion

Discussion concerned how some of the township's ordinances were duplicated and some were hard to enforce as written.

Home work for the Commission was to review the first five ordinances on the township web site to see if some were still applicable, could be modified/changed to be enforceable if necessary and how they related to zoning.

Motion to adjourn at 6:52 PM by Larry Wilson and second by Sally Fischbeck. Motion passed.

Respectfully submitted:

Robert Schreiber
