# The New Sanctuary - Celebrating 40 years Easter Candle Holder & The Risen Christ

Easter Sunday celebrates Christ's resurrection from the dead and mankind's awakening from the darkness of paganism to the light of Christianity. To symbolize the meaning of Easter, the artist chose the javelin of a dead warrior which his comrades plant at the head of his burial mound. This he richly decorated with ancient Hungarian motifs and carved a wreath of living flowers around it to indicate resurrection from the dead, the ultimate hope of every Christian.

Before the cross of Jesus' passion hovers the risen Christ, proclaiming victory of life over transient pain.
