DECEMBER 2020 ISSUE

Update on Future Social Meetings - Current concerns about Covid-19 continue to hamper our efforts to gather socially. At this time, it is impossible to determine when we may meet again. Our members are urged to keep safe and keep faith that we will weather these times and emerge as an active and effective organization. Until we gather again in person, this Newsletter will serve to keep our Membership informed regarding TBLA business.

TBLA Board of Directors - I want to thank all of the board members for agreeing to continue to serve TBLA in these unusual times that we are all experiencing. If any of our members are interested in serving on the Board in the future, please contact Gary Moore.

The 2021 BU Planning Committee - The Bass Unlimited Committee is at work planning for our next banquet. There are many opportunities to help with this effort for anyone willing to serve. Specifically, there is currently a need for someone to serve as the Prizes Coordinator. Anyone interested in serving on one of the 2021 Bass Unlimited Committees should contact Deb Pennington at 2debpennington@gmail.com and 318-315-2448.

The Glynn Carver Memorial Scholarship - Application packets for the 2021 Glynn Carver Memorial Scholarship have been posted to our website and distributed to the local School Boards and ISD's around the Lake Area. If you have a child or grandchild that is a graduating senior or who is attending college, please let them know about this \$3000 scholarship opportunity. They can access information and an application for the scholarship on our TBLA website. Applications must be submitted to Toledo Bend Lake Association, Attn; Scholarship Committee, PO Box 1031, Many, La 71449, by February 1, 2021. The winner will be announced at the 2021 BU Banquet. You can also support this annual scholarship by donating to the Glynn Carver Scholarship Fund. Contact Gary Moore at 281-798-7131 if you have any questions regarding the Scholarship.

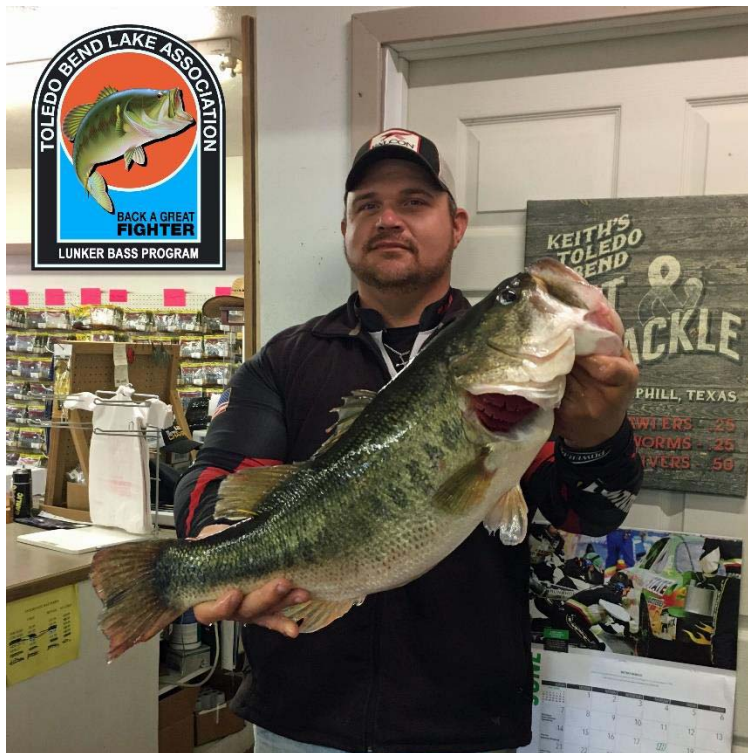

TBLA Membership - In this year of Covid, your membership is very important to TBLA. The Board thanks all of our 2020 and past members for their support. TBLA is a volunteer non-profit organization and without members who generously donate their time and financial support, we could not fund or support the Luncheon Program, the many grants, scholarships, and local school fishing programs on your behalf. TBLA needs your membership support as we work through 2021. **Please support us by renewing your membership for 2021.**

Because of the pandemic, we were not able to conduct a membership social in the last nine months, nor were we able to conduct the 2020 Bass Unlimited Banquet. No one knows when we will be able to conduct the next membership social but it will not be in the near future with the upswing in Covid cases. We will resume our socials as soon as it is safe to do so. We will have a BU Banquet in 2021, Covid restrictions permitting. In the interim, we will do our best to keep our members informed about what is going on around the Lake through this monthly newsletter, and on the Toledo Bend Lake Association Facebook page.

Lake Level - The Lake level is important to those with an interest in Toledo Bend. Real time information on the matter can be found online at <https://waterdata.usgs.gov/monitoring-location/08025350/> . This information is updated every fifteen minutes.

The Sabine River Authority’s guidelines for opening and closing the spillway gates appears in their *Operating Guide Rule Curve* document. This document can be found at <http://www.srala-toledo.com/page.aspx?menuId=28>

TBLA Lunker Program - Congratulations to Michael Woods, Jr. on catching the 2020/2021 Lunker Program’s seventh fish which weighed 10.25 lbs. on November 17, 2020.
