WELCOME to the Badlands Angus Alliance Bull & Bred Female Sale. This is not only a partnership between Best Angus, Strommen Ranch and Talkington Angus Ranch, it is also a partnership with all of our current and future customers. With our combined resources and marketing assistance from our partners at Stockmen's Livestock Exchange in Dickinson, ND, we are committed to helping our customers add value to their females and continuing the Badlands Angus Alliance sale as THE PREMIER SOURCE for bred females in western North Dakota.

This sale features 700 elite, source and genetic-verified bred females from our respective programs and from our commercial customers. We are proud of the exceptional herds our customers are building and we are excited to help them market their top females through this sale. They are influenced by and bred to Best, Strommen or Talkington seedstock.

These bred females are the type and kind you can use to build a profitable, sustainable herd for generations. They are bred to be easy-fleshing cattle that are productive on minimal inputs, with enough emotional intelligence to be handled with minimal labor, and enough survival instinct to get out and forage, nurture their calves and bring in pounds at weaning.

Many of them are AI-bred to proven, calving-ease sires with a tight calving window, and have been ultrasounded for calving dates. This year's consignments offer a variety of calving start dates, including March, April and May. They are all source and genetic-verified and bred to known calving-ease genetics. A full ranch and production history on each consignment is included in the heifer listings.

The coming-2-year-old ANGUS bulls are thick, stout, rugged, fully guaranteed and will be ready for service in big country. They were retained specifically for this sale. We are excited to offer these bulls as it gives us a chance to see our genetics as they age and develop. These bulls have been slowly developed with soundness and longevity in mind, with an optimum gain, not an excessive gain. Our ultimate goal is to have the bulls range-ready, sound-footed and ready to go to work for you!

New this year, we are offering a select group of 80 registered bred heifers. A full description of them can be found on page 40.

SALE ORDER - Bulls will sell first, followed by the commercial bred heifers and then the registered bred heifers.

VIDEOS - Videos of the bulls and bred females will be available on www.DVAuction.com

TERMS AND CONDITIONS - Bulls sell under the standard terms and conditions of the American Angus Association. Terms of the sale are cash. Full payment is due on sale day. For purchases made through DVAuction, please remit payment directly to Stockmen's West, PO Box 1348, Dickinson, ND 58602. All cattle must be paid for prior to release from Stockmen's Livestock. Any cattle remaining after two days from the sale will be charged \$5 per head per day for feed.

ANNOUNCEMENTS - Announcements made from the block on sale day will supersede the information printed in this book.

BULL DEVELOPMENT - These bulls have been handled correctly and developed without ANY creep. They have been fed just enough to express genetic differences, but not overfed as to compromise soundness or longevity. We want you to have a bull that will do his job and last for years.

SALE TIME - The sale starts at 12 p.m. MST.

EPDS - EPDs are current as of Oct. 23, 2023.

BULL DELIVERY - We will offer free delivery on the bulls within 500 miles of Dickinson, ND Deliveries will begin immediately following the sale.

FEMALE DELIVERY - We will not deliver the females, but can assist in lining up trucking. Please contact us or Stockmen's West to make arrangements.

HEALTH - All bulls and registered heifers have been on a complete health program as prescribed by our respective veterinarians. Specific health information on the commercial bred heifers is presented in their individual write-ups, beginning on page 30.

FERTILITY - All bulls have passed a fertility exam performed by Dr. Gary Scheiber for the Best Angus bulls, Dr. Pat Bierman for the Strommen bulls and Dr. Chance Noyce for the Talkington bulls.

SIGHT UNSEEN PURCHASES - If you, for some reason, are unable to attend the sale, but wish to place a bid, feel free to call us and we will handle your bid as if you were here. If you wish to be on the phone during the sale, we will try to accommodate your request. Please let us know in advance so arrangements can be made. All sight unseen bull purchases are fully guaranteed, when you talk to the owner prior to the sale.

GUARANTEE - The bulls are fully guaranteed for one breeding season. We understand that these are animals and that injuries do occur, but we have the utmost confidence that we have developed these bulls in the best way to protect your investment. If an injury or death occurs, the ranch of origin will guarantee them for the purchase price minus salvage value (\$2,500).

LIABILITY - Anyone attending this sale does so at their own risk. Neither the owners nor anyone connected to this sale, assumes any liability, legal or otherwise.

WATCH & BID ONLINE - Videos of the bulls and heifers are available at www.dvauction.com. Bid online via DVAuction, too! **DVAuction**

www.StrommenRanch.com

Welcome to the 2023 Badlands Angus Alliance Bull & Bred Female Sale. We are proud to partner with our friends the Bests and Talkingtons and our respective customers to offer this unique sale. It is our goal to continue this sale as the premier source for maternal Angus genetics in western North Dakota.

Our herd consists of fertile, functional, easy-fleshing cattle that raise big calves without creep feed. We believe that true profitability in the beef business is driven by cattle that have the Maternal POWER™ to do more with less. As your seedstock provider, we want your operation to be profitable and sustainable for generations with cattle that can withstand market pressure, as well as environmental challenges. Through rains or drought, we ask our stock to thrive in a Northern Plains, grass-based environment with minimal supplementation. They must do more with less.

Strommen Ranch cows must calve annually and wean a calf that is a high percentage of its dam's bodyweight. They must also possess the basic phenotypic traits to cover country, breed on time, have the smarts and mothering ability to do it on their own, all while performing under the conditions that Mother Nature has dealt us. We select for fertility, longevity, sound structure and realistic performance in the cow herd. Cattle that breed early in the cycle, are structurally sound and can raise big calves efficiently in a practical environment with minimal inputs are the kind of cattle we produce and believe will have a positive impact on your bottomline now and into the future.

The bulls we're bringing to Dickinson embody this philosophy. Retained expressly for this sale, they are rugged, stout, sound, packed with generations of Maternal POWER™ and are ready for service in big country. We look forward to seeing you Dec. 6, 2023, and invite you to our ranch, northeast of Solen, ND, Feb. 17, 2024, at 3 p.m. CST, for our Maternal POWER™ Angus Bull Sale, where we'll sell 100 Angus bulls, including yearlings and a small group of coming 2-year-olds.

www.TalkingtonAngusRanch.com

Welcome to the 2023 Badlands Angus Alliance Bull and Bred Female Sale. We are honored to continue this event with our friends and partners, Bests, Strommens, and all the well-respected cattlemen who consign high-quality source and genetic verified cattle to this sale. It has been our goal since the inception of this sale, to make it the premier source for maternally bred, commercial Angus females in western North Dakota, and we feel this year's line-up exemplifies that more than ever before.

Talkington Angus Ranch is located on the edge of the Badlands between Belfield and Medora; we are the fourth generation and our children the fifth in the 117-year history of our family operation in this location. Our cow herd is run in rugged terrain on a year-round forage-based diet. The cattle must be easy fleshing, fertile, and structurally sound with good udders and good dispositions. Our registered herd is managed exactly like our commercial herd and very similarly to our customers' herds. This leads us to approach our breeding program with a balanced trait, maternal philosophy. As it becomes more common for some to select for extremes in growth and carcass traits, we believe our years of data and real-life experience suggest that is not optimal for our environment. We feel the unquestioned, number one factor for profitability in a cow herd is fertility. We feel intense selection pressure is the best way to make progress. Maternal has been defined in a variety of ways, but to us it is best summed up as problem-free, moderate, sound and efficient cattle. This, in turn, equates to longevity.

The 16 coming two-year-old bulls that we are bringing to the Badlands Angus Alliance sale have been developed with longevity and fertility in mind. These bulls are stout, sound, good footed and developed the right way. They were backgrounded at a rate of 2.5 lb/day gain last winter and ran on pasture from June 1st until October 15th. The bulls are all parent verified. Please feel free to contact us with any questions or requests for additional information or data. We also offer an invitation to stop by and evaluate the bulls and their dams before the sale at your convenience.

96	91	105	8	1.6	66	127	37

2104 is an extremely docile bull that exudes breed character with a nice Angus head. He possesses a smooth outline, is long spined, deep ribbed, with nice shape to his hind quarter, and he stands on good feet. This bull is backed by some fertile, high-producing cows. His dam owns a calving interval of 3/357. His Pathfinder granddam owns a WR of 4/109 and great granddam was a Pathfinder that had a calving interval of 10/363 and a WR of 10/106.

270 is a powerfully constructed bull with plenty of muscle shape. He is long-bodied, smooth-made, good-footed and very easy to handle. His granddam has been fertile with a calving interval of 5/369, having caught A.I. every year of her life. She has also been a consistent producer of low birthweights, with a BR of 5/95.

74	92	89	14	-1.8	47	63	27

Another sure bet calving ease bull. 271 is a smaller framed bull, and typical of the Wolverines, is loaded with breed character and a good head. His calving ease potential is backed by his dam's BR of 2/90. He has the capability to produce fertile, long-lasting cows as his granddam has a calving interval of 8/365, a BR of 8/97, and a WR of 7/102. Her dam was our foundation donor, RR Mabel 4440, who has made as much impact on our herd as any single cow.

2261 possesses tremendous depth of rib, has a touch more frame than some of our bulls, without being extreme and is very sound in his hoof structure with a good disposition. Another descendant of the great Mabel cow family, his dam owns a BR of 4/97 and a WR of 3/102. More impressively, his granddam had a calving interval of 12/362 and caught A.I. every year of her life. She had a WR of 12/105 when she left our herd at nearly 14 years of age.

Youngest bull in our offering. Smaller-framed and stands on good feet.

Cattlemen & Friends - We are so grateful to be a part of this Alliance that is turning into the premier commercial female sale in North Dakota. Strommens and Talkingtons are great partners with very similar philosophies to our own. I am extremely proud of the heifers that the consigners brought to Dickinson the last few years. More importantly, the feed-back from the buyers has been excellent. I expect nothing less from this year's offering as well. We are making progress toward our goal of helping our customers realize the value they deserve for raising superior Angus females.

We ranch in the North Dakota badlands southeast of Watford City in some of the most rugged terrain in the region. We are committed to producing cattle that thrive under harsh conditions. Ranching is full of challenges, which is why we believe it is better for us to design cattle that will be profitable working in harmony with nature instead of a constant struggle against mother nature. Cattle designed to be profitable require less labor inputs since they can maintain their body condition and breed back on poor quality stockpiled forage. They are able to do this since they are deep-ribbed, wide-made and possess genetic fertility. They have sound udders, feet and legs allowing them to forage and care for their calves without extra assistance from management. Disposition and intelligence are extremely important traits for reducing labor requirements as well. We can't forget the most important profitability trait of them all, fertility. Just to make things a little harder, we need to make sure these cattle will be profitable to all segments of the beef industry. They need to gain, have excellent feed efficiency and strong carcass traits. Talk about a challenge, but this is what makes breeding cattle so much fun!

The bulls are all virgin two-year olds that were retained specifically for this sale.

We are a family operation and I would like to thank all of the family and friends that help us keep Best Angus running. We could not do what we do without our customers' support over the years. We hope to see you all in Dickinson, but if you are unable to attend please contact me and I will gladly help you select an Angus bull that will fit your environment.

Commercial BRED FEMALES

These bred females are the type and kind you can use to build a profitable, sustainable herd for generations. They are bred to be easy-fleshing cattle that are productive on minimal inputs, with enough emotional intelligence to be handled with minimal labor, and enough survival instinct to get out and forage, nurture their calves and bring in pounds at weaning. Many of them are carrying A.I. calves from proven calving-ease sires for a short calving period. This year's consignments offer a variety of calving start dates, including March, April and May. They have been ultrasounded for calving dates, sorted for quality and disposition, source verified and bred to known calving-ease genetics. Sale order will be determined by Stockmen's Livestock, as they are managing this portion of the sale.

If you have cattle out of and bred to Talkington, Strommen or Best bulls and you'd like to consign bred heifers in 2024, please contact us!

SORENSEN RANCH, WATFORD CITY, ND

65 HEAD BRED ANGUS HEIFERS, MARCH 20TH FOR 21 DAYS

Contact: **JARVIS & KADIE SORENSON • (701) 570-6680**

Sorenson's ranch was established in 1906, and they represent the 4th and 5th generations ranching in McKenzie County. Jarvis and his family focus on raising cattle that do well in the Badlands and thrive on tame grass. Jarvis has a great eye for cattle and buys a lot of calves and bred females for producers throughout ND and MT. These deep-ribbed, feminine heifers are all home-raised from the heart of their herd. Sorensens have been long time customers of Talkingtons, Bests and Stommens. Their cow herd, most recently, would have a strong influence of Alliance, EXT, and Resource.

These heifers were bred to Basin Payweight and Armour sons from Best Angus, a Renovation son from Talkington Angus and Stellar sons from Strommen Ranch.

The heifers should weigh 1,100 lbs by sale day. They've been given ViraShield 6VL5 and were poured with Ivermectin. They were ultrasounded by Dr. Gary Schieber of High Plains Vet Clinic.

BASIN PAYWEIGHT 1682

SITZ STELLAR 726D

JASON ERICKSON, BEULAH, ND

24 BRED HEIFERS, DUE APRIL 10TH FOR 30 DAYS

Contact: **JASON & ANGIE ERICKSON • (701) 290-5158**

Jason and Angie Erickson of Beulah, ND, are long-time Strommen Ranch bull buyers that are bringing us a top-notch set of bred heifers. Maternal Power™ genetics running deep with sires including Rainfall, Motive, Resource and Charlo. Jason has a very discriminating eye and always spends a day before the bull sale sorting through bulls and asking questions. These heifers have been near the top of this sale in previous years and have had a high level of customer satisfaction. They should weigh 1,100 lbs by sale day and are bred for April 10th for a 30-day calving window. They were ultrasounded by Dr. Travis Kuhlka of Glen Ullin, ND and have had a full health and mineral program. They received ScourGuard and Bovishield Gold VL5 this fall, along with being poured with Dectomax.

COLEMAN CHARLO Q256

SAV RESOURCE 1441

TACHENKO RANCH, GRASSY BUTTE, ND

30 F1 BALDY BRED HEIFERS, DUE MARCH 23RD FOR 21 DAYS

Contact: **CODY TACHENKO & ANGI HOWE • (701) 260-1299**

Cody and Angi are the 3rd and 4th generations, respectively, to ranch and run Hereford cattle south of Grassy Butte, ND. Their cow herd is all Hereford, so none of these home-raised F1 baldies will be held back, and they are bringing their top end to the Badlands Angus Alliance.

The heifers were all bred by two Talkington Angus bulls, SAT Wolverine 209 and SAT Motive 2177. The heifers are all F1 Baldies, exclusively sired by Talkington bulls out of Hereford cows heavily influenced by Cooper and Holden breeding. Tachenko's have bought sons of Right Time, Uno and Navigator from Talkingtons.

These heifers will weigh 1,050 lbs on sale day and were pregnancy ultrasounded for sex and calving date by Dr. Chance Noyce. They have had a full health and mineral program, were drenched with safeguard, poured with Clean-Up II, and vaccinated with Vista 5-VL5.

SAT WOLVERINE 916

COLEMAN NAVIGATOR 614

JUSTIN LUND, ROSS, ND

80 BRED HEIFERS, DUE MARCH 25TH FOR 25 DAYS

Contact: **JUSTIN, BERNADETTE, PRAYRIE & DAYNE LUND • (701) 629-1424**

Repeat consignors Justin and Bernadette Lund are the 4th generation of Lunds to ranch in Western Mountrail County. These top-of-the-herd home-raised heifers are sired by Strommen Ranch sons of Sinclair Emulation XXP, Emblazon 702, Black Cedar 46P and Navigator sons from Talkington Angus.

Lund's heifers are backed by generations of easy-fleshing, maternally oriented genetics, which should allow for easy calving and profitable cattle production. Their feeder steers will grow well and their heifers will be the keeping-kind. The bred heifers they've consigned were developed on native range in the White Earth Valley. Lund's heifers have been quite popular every time they've been consigned to this sale.

These heifers are bred to sons of OCC Wholesome, Rito Revolver and Reno from Strommen Ranch and Metzger Cattle. They were pregnancy ultrasounded by Dr. Kelly Schafer of Burlington, ND. These heifers have received a full health program including BoviShield Gold FP 5+VL5 in the spring, CattleMaster 4+VL5 and Dectomax this fall and they are on Smartlic mineral. They will weigh approximately 1,050 lbs on sale day.

CCA EMBLAZON 702

SINCLAIR EMULATION XXP

ALEX DEIS, LINTON, ND

35 A.I. BRED SCHMIDT HEIFERS, DUE MARCH 15TH

30 A.I. BRED GOETZ HEIFERS, DUE MARCH 15TH

20 BRED SCHMIDT HEIFERS, DUE APRIL 1ST FOR 30 DAYS

Contact: **ALEX, NANCY, AMBREE, BRAYLEE & HUXLEE DEIS • (701) 321-1491**

Repeat consignors Alex and Nancy Deis have brought us another nice set of heifers that originated from long-time Strommen Ranch customers, Schmidt Ranch at Solen, ND, and Shannon and Jennifer Goetz of Richardton, ND. Alex and Nancy have done an excellent job developing these heifers. This will be a top-cut set of heifers that will weigh 1,050 lbs on sale day.

The Ken Schmidt and family heifers have a genetic history of maternal and performance and no doubt buy their bulls at the front end of the sale. The genetics behind these heifers would include Strommen Ranch sons of XXP, Rainfall, Torque, Revolution and Resource, along with Roughrider, Rider Pride and Emulous. The steer mates to these heifers would have the reputation of being one of the top sets of feeder calves in the region. Thirty five heifers are AI'd to SAT Wolverine 916, an excellent calving-ease bull that was raised by Talkingtons and purchased by Select Sires and carry an AI-sired calf for a March 15th calving date. Twenty are bull bred to Strommen Ranch sons of Wholesome and Revolver for April 1st for a 30-day calving period.

The 30 Goetz heifers have the influence of Resource, Payweight and Torque sons from Strommen Ranch and are also AI'd to SAT Wolverine 916. Each one carries an AI-sired calf for a March 15 calving date. These heifers were ultrasounded by Steele Vet Clinic for sex and calving date, are on a full health and mineral program and are cake-broke. Help yourself by taking these girls home.

BRUIN TORQUE S261

SAT WOLVERINE 916

SCOTT CYMBALUK, BELFIELD, ND

12 BRED HEIFERS, DUE APRIL 20TH FOR 21 DAYS

Contact: **SCOTT & ANJI CYMBALUK • (701) 260-1174**

Scott and Anji, along with their son Bradie, are the 3rd and 4th generations, respectively, to ranch north of Belfield. While their headquarters is just North of Belfield, the cows are run in rugged Badlands, just north of Talkingtons. These home-raised heifers are easy-fleshing, gentle and cake broke.

These heifers are bred by two Talkington bulls, SAT Wolverine 243 and SAT Renovation 2192. Cymbaluk's have been long-time Talkington customers and use almost exclusively Talkington bulls. Their cowherd is influenced by Bravo, Prosecutor, 1682, Versatile, Tahoe, Innovation and Unique.

These heifers will weigh 1,150 lbs on sale day and were pregnancy ultrasounded for sex and calving date by Dr. Chandy Olson. They have had a full herd health and mineral program, were poured with Cydectin and vaccinated with Guardian and Vista 5-VL5.

SAT WOLVERINE 916

COLEMAN BRAVO 6313

WARREN WORONEICKI, HEBRON, ND

29 AI-BRED F1 BALDY HEIFERS, DUE APRIL 5TH

21 AI-BRED F1 BALDY HEFIERS, DUE APRIL 30TH

20 AI-BRED BALDY HEIFERS, DUE MAY 20TH

Contact: **WARREN & JODIE WORONEICKI • (701) 290-5689**

Repeat consignors, Warren and Jodie Woroneicki focus on raising high fertility cattle that can thrive with minimal inputs. They practice year-round grazing with minimal hay supplementation. These cattle are handled almost exclusively with horses.

The 29 AI-bred heifers due April 5th are home-raised F1 Baldies bred to SAT Wolverine. The 21 AI-bred heifers due April 30th are home raised F1 Baldies bred to Wolverine. Both groups are out of Woroneicki Hereford cows and a majority of Talkington Angus bulls. The 20 AI-bred heifers due May 20th are daughters of E&B New Addition out of Woroneicki F1 Baldies, so 3/4 Angus. E&B New addition 608 is a bull known for producing outstanding daughters. They are easy-fleshing and deep-ribbed, with excellent udder quality and good feet.

These heifers will weigh 1,000 to 1,050 by sale day and were pregnancy ultrasounded for calving dates by Dr. Travis Kuhlka of TK Veterinary Service in Glen Ullin, ND.

SAT WOLVERINE 916

MYERS FAIR-N-SQUARE

JORDAN BRAAFLAT, PLAZA, ND

10 A.I. BRED HEIFERS, DUE APRIL 21ST

Contact: **JORDAN & HEATHER BRAAFLAT • (701) 898-1264**

Repeat consignors Jordan and Heather Braaflat always bring a sought-after group of home-raised heifers to the sale. These heifers will be gentle, cake-broke and freeze branded.

Braaflats have been long-time Talkington customers and their cowherd is influenced by bulls such as Juneau 797, Maternal Made, Bravo, Rainfall, Motive and Mustang.

These heifers were AI'd to Connealy Guard Rail and were pregnancy ultrasounded by the Minot Veterinary Clinic. The heifers will weigh approximately 1,100 lbs on sale day and have been on a full herd health and mineral program. They were poured with Clean Up II and vaccinated with CattleMaster 4+VL5

CONNELY GUARD RAIL

SAV RAINFALL 6846

MEDICINE BUTTE ANGUS, ZAP, ND

26 BRED HEIFERS, DUE APRIL 20TH FOR 20 DAYS

Contact: **AUSTIN & DESTINEE JENSEN • (701) 891-1984**

We are excited to have a beautiful group of heifers from first time consignors Austin and Destinee Jensen and the Unruh family at Medicine Butte Angus. Genetically, this group will be as closely related and consistent as any heifers we will sell. They are bred to sons of Strommen Ranch sire SR Charlo 972 and out of a cowherd based on the genetics of Rito, Emulation and Rainmaker, with heavy influence specifically from Rito 7075, Charlo and EXT.

This 6th generation family program has a keen eye for moderate-framed, easy-fleshing cattle that can cover country and they especially watch for the functional traits of foot and udder quality. If you are in the market for heifers calving the end of April, this will definitely be a group to bring home. They will weigh approximately 1,100 lbs sale day. They were ultrasounded by Dr. Travis Kuhlka at Glen Ullin, ND, and have had a full health and mineral program including Bovishield Gold FP5VL5.

N BAR EMULATION EXT

JEFF RUUD, ROSS, ND

50 BRED HEIFERS, DUE MARCH 20TH FOR 14 DAYS

25 BRED HEIFERS, DUE APRIL 5TH FOR 14 DAYS

Contact: **JEFF RUUD • (701) 629-2006**

Jeff is a repeat consignor and long-time Talkington customer who focuses on low-input cattle that require minimal labor by focusing on problem-free cows and unassisted calving. Ruud's cow herd has been influenced by bulls such as Resource, Versatile, Prosecutor, Image Maker and Bravo.

These home-raised heifers are all bred to calving ease sons of U-2 Coalition 206C. They are bred for a March 20th calving date and will be sorted into two-week-interval calving groups.

These heifers will weigh 1,050 lbs on sale day and were pregnancy ultrasounded for sex and calving date by Dr. Kristi Pennington of Dakota Prairie Vet Service in New Town. They have had a full herd health and were vaccinated with Virashield 6+VL5 and Guardian. They were also poured with Dectomax.

JOHN PFAFF, NEW SALEM, ND

20 A.I. BRED HEIFERS, DUE APRIL 15TH

Contact: JOHN, JESSIE, CORT & CLAIRE PFAFF • (701) 301-7699

First time consignors John and Jessie Pfaff have consigned a nice group of home-raised heifers that are ultrasound confirmed A.I. bred to Strommen Ranch calving-ease sire, Easy Street. These heifers are sired by Payweight sons and originate from females purchased from Justin and Bernadette Lund through this sale and Fast Angus. They will be moderate-framed females that have the smarts and ability to go out and forage in rough conditions. They were developed though the winter on a strictly forage diet and will be cake broke and gentle. They were pregnancy ultrasounded by Dr. Andrea Rusch at Johnson Vet Clinic of Mandan, ND, and received a full health and mineral program.

LANCE ROSSOW, FLASHER, ND

20 BRED HEIFERS, DUE APRIL 1ST FOR 20 DAYS

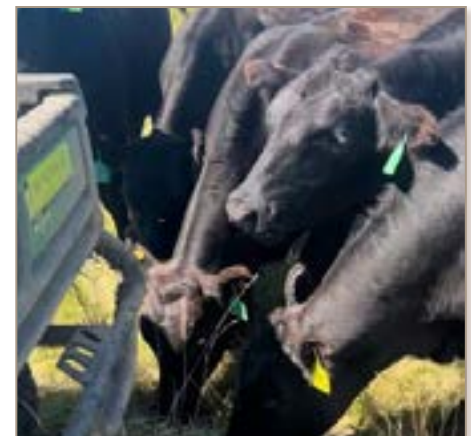

Contact: LANCE & ASHLEY ROSSOW • (701) 527-7323

First time consignors Lance and Ashley Rossow brought us a nice group of heifers due to calve April 1st for 20 days. They are bred to 3/4 brothers – sons of Revolver, out of Substantial dams – from Strommen Ranch. These heifers originated from local herds and were sorted for quality and breeding date from a large group. Ashley has done an excellent job getting these heifers cake-broke and gentle and they have been worked with dogs.

The Rossows have been developing heifers for many years and do an excellent job. They are on a full mineral program, were poured with Dectomax and received CattleMaster 4 VL5 and Spirovac this fall. They were ultrasounded by Dr. Dalton Hanson, of the Mandan Vet Clinic, Mandan, ND and are estimated to weigh 1,100 lbs on sale day.

25 BRED HEIFERS, DUE APRIL 10TH FOR 21 DAYS

Contact: **RYAN & RACHEL ROSS • (701) 509-7490**

This will be the Ross Ranch's 4th year consigning heifers. They have a heifer development program that they have been doing in the Grenora area since 2017. This past year they developed about 800 head. Ryan purchases top heifers from our customers and then develops them. The heifers he selected for the Badland's Angus Alliance came from Steve and Wanda Nelson of Watford City. Steve and Wanda have been excellent customers of both Best Angus and Talkington Angus. Nelsons try to purchase ET brothers, including sons of Right Time, Tribute and Alliance 64L from Best Angus, as well as Resource sons from both Talkington Angus and Best Angus. Ross Ranch has purchased Nelson heifers previously and they have done very well and the customers have been happy with the heifers.

The heifers were bred to calving ease Charlo sons purchased from Best Angus. The heifers should weigh over 1000 lbs They were vaccinated with Vira Shield and poured with Ivermectin. They have been ultrasounded by NW Vet Clinic.

The heifers we are bringing are out of our commercial herd. The heifers we sorted off for this sale are the heifers that bred 1st cycle to the clean-up bulls. A few of the heifers are AI-sired by Wolverine, Mustang or 602C. They are bred by a Myers Fair-N-Square son and a Stevenson Turning Point son.

These heifers will weigh 1,100 lbs on sale day and were ultrasounded for sex and calving dates by Dr. Chandy Olson. They've been on a full herd health and mineral program, drenched with Safeguard, poured with Clean-Up II and vaccinated with Vista 5-VL5.

Contact: **AARON, SHEYNA, CASSIDY, COOPER & CLINT STROMMEN • (701) 290-7983**

We are pleased to offer this tremendous group of heifers we were able to acquire from the Mike and Steve Littlefield families. They are long-time bull buyers who always take their time to sort though the bulls in advance, in order to make their selections at sale time.

Their herd would have the genetics of Substantial, Torque, Logo, Rainfall, and Windy. The Littlefields do a great job with their cattle and are very proud of the disposition they have selected for, and it shows. These cattle are very gentle and will follow a cake truck. Twenty heifers are A.I. bred and due to calve March 13th to Strommen Ranch calving ease sire Easy Street. Fifteen heifers are bred to calve April 1st for 21 days and bred to flush brothers by Stellar out of our good Emma E Bushwacker daughter.

These heifers should weigh 1,100 lbs on sale day and were ultrasounded by Mandan Vet Clinic for sex and calving date. They are gentle and cake broke. They have been on a full health and mineral program, including CattleMaster FP5 and Spirovac VL5, drenched with Safe-Guard and poured with Prozap Insectrin at ultrasound time.

15 REGISTERED BRED HEIFERS, DUE MAY 1ST FOR 21 DAYS

Contact: **AARON, SHEYNA, CASSIDY, COOPER & CLINT STROMMEN • (701) 290-7983**

Here is a group of heifers that are mostly purebred registered heifers that come from the Koupal, Opp and Strommen herds with a handful of commercial heifers to make up the balance. Pedigrees and phenotypes would vary, but individual quality is excellent. We will sell the purebred heifers first with the commercial heifers to follow. Below is a chart with information for the purebred heifers.

They are bred to Strommen Ranch calving ease sire Easy Street or cleaned up to flush brothers by Stellar out of our good Emma E Bushwacker daughter. Purebred heifers sell without registration papers. If interested, the buyer has the option to purchase registration papers for an additional \$250/head. These heifers were ultrasounded by Mandan Vet Clinic for sex and calving date, are gentle and cake broke. They have a full health and mineral program including CattleMaster FP5 and Spirovac VL5, drenched with Safe-Guard and poured with Prozap Insectrin at ultrasound time.

THANK YOU TO OUR
CUSTOMERS FOR
MAKING THIS SALE

The Premier Source
FOR BRED FEMALES IN WESTERN NORTH DAKOTA!

We are pleased to offer this excellent group of 80 registered bred heifers. Last fall, we were offered some extra grass and needing to fill that lease, we went out and hand selected registered heifers I thought would fit our breeding philosophy. We fully intended to add these females to our registered herd, but shortly after they were purchased, we had the opportunity to expand our ET program. Now, we are offering this special group of registered females to you and giving you the opportunity to sort through them.

We truly believe they are the herd-building kind. They came from two long-standing reputation Angus programs - Koupal Angus in SD and Opp Angus in ND, both of which are multi-generation operations that highly value the Angus female. Some of the genetics represented in these heifers include Tahoe, Sitz Broker, Pathfinder, Executive Law, Barricade, Koupal McCoy, Koupal Knockout and more.

With the extreme income potential in the beef business right now, this is an excellent time to invest in high-quality Angus genetics. We believe these heifers are uniquely made to be very profitable. They were hand-selected for balanced traits, realistic performance and exceptional maternal quality. They are the product of generations of cattle selected for their hardiness and ability to get it done on the Northern Plains. They are bred to leading calving-ease sires, SAV Easy Street 2289 and LT Firesteel 1123. These heifers have already exhibited exceptional fertility with 75% settling to AI-service.

We invite you to attend the sale, or visit us at Strommen Ranch to sort through these exciting females.

Dam's WR 4/103 with a 366-day calving interval • **Sells AI-bred to calve 2/19/2024 to LT Firesteel 1123 with a heifer calf.**

BUILDING DEMAND FOR YOUR HEIFERS

We are proud of the herds our customers are developing with Strommen Ranch, Talkington Angus and Best Angus genetics and that is why **we strive to help our customers capture additional value for their females** through the Badlands Angus Alliance, where our collective customers have marketed more than 2,500 bred females since 2018. Many of those heifers have commanded a \$200 to \$500 per head premium over other bred heifer sales in the region!

The Badlands Angus Alliance continues to be the **premier sale in Western North Dakota for source and genetic verified Angus replacement females**. It demonstrates the strong demand we've helped build for genetically sourced cattle of maternal pedigree.

SALE SCHEDULE (Approximate Times)

12 P.M. MST	BAA Welcome Paul Dykstra, Director of Supply Management and Analysis for Certified Angus Beef
12:15 P.M. MST	Bulls Sell
1:00 P.M. MST	Commercial Bred Heifers Sell

DVAuction

Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service! Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you when you are approved.
3. Tune in for the sale and make your purchases!

After the sale, contact Aaron, Pete or Shane to arrange transportation. High speed internet is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding: If you can't make time to watch the sale, register a proxy bid and DVAuction represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. They'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. DVAuction support can always be reached at (402) 474-5557.

WELCOME MESSAGE FROM CERTIFIED ANGUS BEEF'S®

Paul Dykstra

From his home office in Chappell, Nebraska, Paul Dykstra, director of supply management and analysis for Certified Angus Beef works closely with ranchers and feedyard managers in the central and western U.S. to help them target the brand. He builds relationships with feeders, commercial cow-calf producers and registered breeders, helping to point out ways to profitably manage and market high-quality cattle.

PAUL DYKSTRA • CERTIFIED ANGUS BEEF

(MORE THAN 50 COUNTRIES)

"At its core, Certified Angus Beef® works for ranchers to drive demand for their Angus genetics throughout the supply chain. I enjoy sharing tips and market information with cattlemen to help them realize this potential and to add more quality to their herds," said Dykstra. Paul is very approachable and will be available throughout the day to visit with customers about their operations and give feedback about market trends and the demand for Angus-sired feeder cattle.

REPLACEMENT HEIFER CALF SPECIAL

Save the date!

1/25/24

Stockmen's Livestock (East Barn)
Dickinson, ND - 12 p.m. MST

In 2024, we're adding another exclusive opportunity for you to add value to your Talkington, Strommen, or Best-influenced females. The inaugural Badlands Angus Alliance Replacement Heifer Calf Special is set for Jan. 25, 2024, at Stockmen's Livestock (East barn) in Dickinson, ND This sale is only open to replacement heifers that are influenced by Strommen Ranch, Best Angus or Talkington Angus genetics.

The replacement heifer calf special is an exciting opportunity for our bull customers to add value to this year's heifer calf crop or for anyone starting a bred heifer development project. Heifer calves sold through the Badlands Angus Alliance Replacement Heifer Calf Special (Jan. 2024) directly qualify for the 2024 Badlands Angus Alliance Bull & Bred Female Sale (Dec. 2024) when they are bred back to Talkington Angus, Strommen Ranch or Best Angus bulls.

Before you market your 2023 heifer calves, contact Aaron, Shane or Pete to discuss the replacement heifer calf special and other marketing opportunities we offer.

Thank You
FOR YOUR CONTINUED SUPPORT!

**BADLANDS ANGUS ALLIANCE
BULL & BRED FEMALE SALE**

December 6, 2023 - Stockmen's West - Dickinson, ND - 12 p.m. MST
60 COMING 2-YEAR-OLD ANGUS BULLS • 80 REGISTERED ANGUS BRED HEIFERS
700 COMMERCIAL BRED HEIFERS FROM OUR CUSTOMERS

The Talkington, Best and Strommen herds are each backed by a similar maternally-oriented, balanced-trait breeding philosophy. We each place heavy emphasis on fertile, efficient, easy fleshing cows, which is why our genetics fit well together for discriminating cattlemen who desire cattle backed by generations of maternal excellence – phenotypically appealing females with good feet, great udders and outstanding docility.

We invite you to join us in Dickinson on Dec. 6, 2023, for the Badlands Angus Alliance Bull & Bred Female Sale featuring elite, source- and genetic-verified bred females from our customers, a special group of 80 registered bred heifers, as well as stout, rugged, coming 2-year-old bulls from our respective programs.
