

GRAND COUNTY WATER CONSERVANCY DISTRICT

GRAND COUNTY SPECIAL SERVICE DISTRICT

Regular Meeting ----- January 3, 1988⁹

The meeting was called to order by the Chairman, D. L. Taylor at the District Office at 7:00 A.M. Other Grand County Water Conservancy District members present were Gary Wilson, James Walker and John Groo.

Grand County Special Service District members present were D.L. Taylor, Gary Wilson, George White and Dan Holyoak.

Others present were Dale Pierson and Roberta Highland.

Roberta read the minutes of the meeting of December 20, 1988. After calling for additions or corrections, the Chair declared the minutes approved as read.

Dale reported the county crew is hauling clay, and work has re-commenced on the reservoir. Gary reported that Boulden worked yesterday, and water might be turned into the reservoir today.

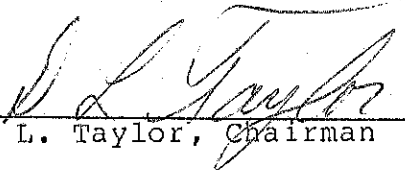

Dale reported the specifications for the metering of the irrigation system are out and the bid opening is advertised for 7:00 A.M., and Larry Anderson will be here at 9:00 on the 17th of January to meet with the Board. D. L. asked the files be checked to see what our records show what engineering had been done when the reservoir was built.

The specifications for metering and anticipated problems for installing the meters were discussed.

Dale reported he had talked to the Division about the cloud seeding. They had asked the Grand County Commission, the San Juan County Commission and the San Juan Conservancy District to participate in the program. We were the only ones who had responded favorably, so they had not seeded down here. If we want to participate, we can participate for the second half of the season. Gary suggested we get the latest snow report before we make a decision to spend any money.

The meeting adjourned at 7:55 A.M.

ATTEST:

D. L. Taylor, Chairman

Dale Pierson, Sec'y/Treasurer
