Budget Payment Plan!

The budget payment plan allows you to pay for your pool services over a 12 month period, from April 1st to March 1st based upon your previous year invoices. The budget will be calculated from your previous year total services for the following: Opening costs (including – cleanups and chemicals), Weekly cleanings (including chemicals) and Closing costs and will be rounded to the nearest \$100. Repairs and renovations will be billed separately and are not included in the budget. Additionally, the budget payment plan is only available to customers who schedule weekly or bi-weekly cleanings as well as openings/closings. Customers who opt-in for the budget plan MUST have a valid credit card on file and will be considered “charge-all” customers for the period. Checks are not accepted under the budget plan. The first month’s payment (April 1st) will consist of 2 month’s payments and the remainder will be billed over the subsequent 11 months. If your service costs exceed your budget payments, we will charge the full balance due to your credit card on your final month’s payment on March 1st. Please note: These payments do not include NJ sales tax.

If the contract is voided during the season either by Paradiso or by the customer, the full open balance will be charged to the credit card on file upon notification of contract termination.

Example: Your yearly opening/closing/cleaning costs are \$5045.00, so your budget for the year is \$5000.00.

$\$5000 / 12 \text{ months} = \$417.00 \text{ per month with the First Payment in April due} = \834.00

The remaining monthly payments will be = \$ 417.00 per month for the remaining 11 months (May – March).

Each month you will receive a up-to-date open balance statement that will show your payments as well as your balance due.

If you would like to enroll in the monthly budget plan, please select that option on your contract. If you have any questions, as always, please feel free to contact the office at any time.
