

Hi Friends,

My name is Maria and I'm a gymnastics coach at the Jump! North. I have lived in Austin for about 9 years, but I am originally from Florida. I started gymnastics when I was only a couple years old and have gone through multiple competition seasons. Gymnastics has been a part of my life for as long as I can remember! I love setting goals and watching your kids have that joy in achieving them. I am excited to be a part of your child's gymnastics journey. Can't wait to meet you!
