HURRICANE SHUTTERS REMINDER

Hurricane shutters that have been put up to protect homes from Irma should now be removed.

Hurricane shutters can be put in place 96 hours before a named tropical storm is forecast to impact the area and must be removed 96 hours after the storm has cleared the area.

STORM DEBRIS PICK-UP

Waste Management has informed us that F.E.M.A. is responsible for storm debris pick-up. It may take several weeks for our area to be fully picked up.

A few reminders for storm debris pick-up:

Do NOT place debris in bags, or place by storm drains/fences, mailboxes, etc.

Do NOT mix household garbage, recycling and storm debris together.

Place your garbage and recycling in the proper containers and place at the curb on your regularly scheduled collection day.

GOOD NEIGHBORS

Our covenants [Easements Act III, Section 5 (d)] provide that each unit owner grants to the owners of adjoining units and to the association an easement over, upon and across his land for the purpose of performing such maintenance as may be required including but not limited to, repairing walls, painting and lawn and sprinkler maintenance.

As a courtesy, please advise your neighbor of any contractor working on your home requiring the use of the easement on your neighbor's property.

All efforts to help keep our community looking beautiful and safe are appreciate!

NEIGHBORHOOD WATCH GROUP

The Neighborhood Watch Group reminds us that maintaining safe and crime free neighborhood is a community effort. The residents of our fine communities should always be observant of suspicious activity and things that seem out of the ordinary. Being the eyes and ears of the community is our first link to stopping crime.

Suspicious Activity should be reported to Charlotte County Sheriff's Office non-emergency #941-639-0013 and Emergencies Only: "911"

Helpful tips for preventing crime:

1. Car door and windows should be locked
2. Bicycles locked or garaged
3. Install outdoor security lighting
4. Keep bushes trimmed by house windows
