Day 2 - FALLINGWATER/NEMACOLIN/OHIOPYLE STATE PARK

Enjoy breakfast before we travel to Fallingwater. In 1935 department store magnate Edgar Kaufmann commissioned Frank Lloyd Wright to design a summer home for him and his family to have an escape beside a picturesque waterfall along Bear Run. The house was completed in 1937. In 1963 Edgar Kaufmann, Jr. entrusted it to the Western PA Conservancy. He wanted visitors to have the full experience that Wright created. For this reason you don't view Fallingwater by looking through roped off areas but instead step into each space of the house just as a guest of the Kaufmann family might have. This creates a very unique experience for you, the visitor. Depart for the luxurious Nemacolin Woodlands Resort for lunch and a guided tour of the Hardy Family Art Collection found throughout the resort. Complete the afternoon with a stop at the Ohiopyle State Park Visitor Center which offers informative exhibits and great views of the Falls on the Youghiogeny River. Enjoy dinner at a restored Amtrak Station.
