Music in the Bay returns for the summer of 2016 on Thursday evenings on the waterfront at Centennial Field!

We've got a great line-up to present to the public due to the wonderful sponsorship we have received this year from many of our community businesses. Be sure to take a minute to view our sponsors on the poster shown at left, as this initiative could not be presented to our community without them.

Thanks also to Shuswap Lake Estates and to the South Shuswap Canada Day Committee for allowing us to use Centennial Field and the stage for these weekly concerts.
