Growing Up in the '50s and '60s

Did you grow up in the days when cars had tailfins, girls wore circle skirts and a milkman delivered fresh milk right to your house? In this nostalgic workshop, we'll look back at what life was like for kids in the '50s and '60s, from the hairstyles to the cars to TV dinners. Check out some vintage paper dolls, S&H Green Stamps and Tupperware bowls. Listen to hit songs from Rosemary Clooney and Elvis Presley and revisit favorite dances.
