## **SWJC BUILDING BRIDGES GRANT INITIATIVE**

SWJC makes a difference in our area by empowering local organizations which focus on our community's specific needs. Consequently, SWJC is pleased to again offer grants to local nonprofits, thus enabling them to accomplish their goals.

This year there will be several grants of \$2,500 each, to be awarded during our Texas Sized Event on September 22, 2022.

[Click here for our grant application.](#)

Please note that we prefer specific projects over donations into general operating funds. The project should be consistent with, or in furtherance of, the organization's stated goals and purposes. The application could include a request for items to purchase or for construction, funding of certain services, or anything the organization may plan. Finally, the grant funds could be used toward an ongoing or a new project.

Please help us seek out potentially worthy organizations. The deadline for submission of grant applications to SWJC is August 5, 2022.

For questions regarding the Grant Initiative, contact Susan Myers, [susan@swjc.org](mailto:susan@swjc.org), 214-404-8114.
