# HISTORY

History makes a major contribution in both Preliminary Exam and Main Exam. Hence a detailed step by step approach is followed to comprehensively cover the subject.

Students face difficulty in remembering facts, dates, names and events in History. However, a detailed story telling model will help aspirants to effortlessly remember it.

We recommend students to watch the videos and study the e-material we provide to master the subject with ease.

# GEOGRAPHY

Geography is a Primary Subject. Without studying geography, it is not possible to study any other subject. Because geographic knowledge is required to understand locational context of happenings.

The classes are designed to have **maximum map based pictures and step by step animation** to make aspirants to grasp the cartographic knowledge comfortably.

Students have an assumption that mapping is difficult. But this is totally untrue. With each class passing on, you can feel your geographic knowledge enhancing to different level.

# POLITY & GOVERNANCE

Polity & Governance is the core of Civil Services Preparation. Its contribution to Prelims and Mains is huge.

The concepts in polity are broke down to simpler examples and explained with real happenings. Hence it is convenient for students to remember the fact.

Special focus is given for remembering Articles and other facts that are important from exam perspective.
