#### Please note:

**All junior sailors must be between the ages of 8 and 17 years old as of July 1, 2017.**  
GPYC reserves the right to cancel/combine/change/reschedule any classes if necessary due to weather, unsafe conditions or scheduling conflicts. Since there are a limited number of optimists, it may be necessary for students who have not demonstrated a mastery of boat handling to be limited to land drills until such mastery is shown. GPYC has a fleet of sunfish available for advanced, intermediate and beginner students to use during class. Students are encouraged to bring their own boats whenever possible. All personal boats must pass a safety inspection before the start of the program. All junior sailors who are GPYC members are permitted to use the Club's sunfish and optimists during non-class times as long as they are accompanied by an adult.
